However, this performance assessment can also be conducted at any time after completion of one year at JRF level upon publication of at least one paper (1st Authorship) in any peer-reviewed SCI indexed journal within one year by the INSPIRE Fellow out of the PhD work done at that Host Institute.

Sub: Request for extension of the above-referenced grant, reg.

Hon'ble Sir,

With respect to the above subject and reference, this is to request you to sanction ten months (up to 07, December, 2021) extension of the above-referenced project.

We require this extension in order to compile the information, submission of manuscripts and complete the remaining experiments of miRNA/LC-MS analysis. We were unable to complete these exercises within the study duration due to the COVID-19 pandemic situations.

The sanctioned third year grant of the project is yet to receive at the Institute and we estimate that the project currently has a budget balance of Rs 81,488. During the proposed extension period, we will utilize these funds to complete the remaining experiments and Rs. 4,06,333 will be additionally required for the salary purpose of manpower. There will be no change in the project's originally approved scope of work.

We look forward to a favorable review of our request.

Thanking You,

Yours sincerely
