Report on: Knowledge Sharing Campaign

Date: 17th November , 2017

Faculty Coordinator(s): Dr. Vivek Agarwal , Mr. Amit Kumar

Participation: Students of GLA University

Event Summary:

The Knowledge Sharing Campaign is a community platform that brings together two groups of people: the *Know & Can Teach* (those who have experience and can share their knowledge) group and the *Don't Know & Can Learn* (those who are eager to learn, but lack opportunities) group. KSC originated from a simple idea, which turned out to be its slogan: '**Bring, Share & Learn**'. The energy behind KSC is driven by a **remembrance of our roots**, awareness of our current privileges, and acknowledging how sharing stories of our personal journey can inspire more people, especially the African youth. KSC is based on two key principles which was derived from the following quotes.

- *"In Africa, when an old man dies, it's a library burning"* – Amadou Hampâté Bâ
- *"The best way to value our knowledge is to share it and appreciate feedback"* - Charles Kimpolo.

A group of 240 students of IBM department under the supervision of faculty coordinators organized an debate event inside the GLA campus and provided a platform for others to share their knowledge and experiences.

Participation: Students of GLA University

Event Summary:

Beti Bachao, Beti Padhao (*Save girl child, educate girl child*)

is a Government of India scheme that aims to generate awareness and improving the efficiency of welfare services meant for women. The scheme was initiated with an initial corpus of Rs100 crore.

According to census data, the child sex Ratio (0–6 years) in India was 927 girls per 1,000 boys in 2001, which dropped drastically to 918 girls for every 1,000 boys in 2011. A 2012 UNICEF report has ranked India 41st among 195 countries.

The Beti Bachao, Beti Padhao (BBBP) Scheme has been introduced in October, 2014 to address the issue declining Child Sex Ratio (CSR). This is being implemented through a national campaign and focussed multi sectorial action in 100 selected districts low in CSR, covering all States and UTs. This is a joint initiative of Ministry of Women and Child Development, Ministry of Health and Family Welfare and Ministry of Human Resource Development.

Speaking on the occasion of International Day of the Girl Child, Prime Minister Modi, called for the eradication of female foeticide and invited suggestions from the citizens of India on "Beti Bachao, Beti Padhao" on the MyGov.in portal.

To encourage this awareness programme by the Government of India The students of GLA university also came forward to make this campaign a successful. 160 Students of MBA program and 100 students of BBA Program along with the faculty coordinators went to the rural areas of Mathura district and explain different kind of policies by the government related to this campaign to create awareness for the program.

Participation: Students of GLA University

Event Summary:

The WHO Framework Convention on Tobacco Control (WHO FCTC) is the first international treaty negotiated under the auspices of WHO. It was adopted by the World Health Assembly on 21 May 2003 and entered into force on 27 February 2005. It has since become one of the most rapidly and widely embraced treaties in United Nations history. The WHO FCTC was developed in response to the globalization of the tobacco epidemic and is an evidence-based treaty that reaffirms the right of all people to the highest standard of health. The Convention represents a milestone for the promotion of public health and provides new legal dimensions for international health cooperation. The students of Institute of business Management made their own contribution to the spread the awareness about this program on 9th February 2018. A committee of 50 students was constituted and they worked with 230 students who were asked to motivate people to initiate tobacco free environment inside the university campus and surrounded areas.

MATDATA JAGRUKTA ABHIYAN RALLY (2017)

On January 21st, 2017 NSS GLAU organized a awareness rally in the village of chaumuhan to aware people of the village the importance of their votes and how their votes are used by different candidates by bribing them with money or gifts. The volunteers managed to organize the rally in the guidance of our head mentor Dr. Vivek Sharma and other faculty of NSS GLAU.

The major objective of the rally was to encourage, facilitate and maximise enrolment, especially for the new or first-time voters. To encourage people to vote especially the youth the volunteers of NSS approached people and talked to them in person to understand their thinking for voting and to improve the way they think about the elections.

It was made clear to the people that they should go to vote without any fail and how each and every person's vote is important which can make a huge difference.

AWARENESS OF DIGITALIZATION IN INDIA (2017)

On April 30th, 2017 the members of NSS GLAU organized a seminar on the awareness of digitalization in India. In the seminar various students and faculty participated and the volunteers told them about the pros and cons of digitalization and how this digital world can be a useful technology for future use.

In the seminar various faculty with our head mentor, Dr. Vivek Sharma gave their views on the same and promoted the use of digital world with the most safest way possible. In the same we also came to know the way in which the digital world can be accessed with great security which helped the students to take care of that factor too.

SHRAM DAN (CLEANLINESS OF PARIKRAMA MARG) (2017)

"A CLEAN PLACE IS A SAFE PLACE"

From September 10th – September 14th 2017, NSS GLAU directed its volunteers to camp at Goverdhan for the four days to ensure cleanliness ahead of the Krishna Janamashtami festival early in the morning. Students cleaned the parikrama marg and raised the slogan of **"One step towards cleanliness"**. Youth is the real ambassadors of cleanliness and they motivate others to keep their homes, schools, colleges and surroundings clean. The students took the initiative to clean the surroundings of vicinity. Due to heavy rush during the festivity the amount of garbage was increased in the parikrama marg so the volunteers of NSS gave their part of work or Shram Dan to clean the place in order to make it clean and hygienic for the visitors to come and also awared the people to not further litter the place in order to remain it clean for future. Our head mentor Dr. Vivek sharma encouraged us to go for clean and green environment to nurture it for the future generations.

ANTI POLYTHENE RALLY (2017)

On November 11, 2017 NSS GLAU conducted a mass awareness rally on the ill effects of indiscriminate usage of plastic in Ajhai village. Our head mentor, Dr. Vivek Sharma was present as chief guest with other faculty members to encourage our members. About 200 National Service Scheme (NSS) volunteers took out a rally and said in one voice "We want to live in a pollution free environment". At the end of the rally, all of them present out there took the pledge to refrain from unnecessary usage of plastic and to convince their family and friends against plastic usage and create environmental responsibility. The public also joined the rally in chorus. At the end all stressed the need for switching to cloth bags instead of plastic bags and concluded not to dump waste in public places.
