Item No. 16.18: To ratify the decision of Chairperof Academic Council regarding equivalence of CPI to percentage effective from session 2016-17

In view of need felt for equivalence of CPI to percentage of marks need a better rational way. A proposal was mooted for multiplication by 10 in CPI. The following provisions were approved by the Chairperson, Academic Council:

(a) **Equivalence of CPI to percentage of Marks:** The existing formulae of equivalence of CPI to percentage of marks did not appear to have a perfect rationale. Therefore, the text substituted for it reads. "The equivalence of CPI to exact percentage of marks does not have a perfect rationale. However, it's equivalence at best can be arrived at by multiplying CPI with 10."

(b) **Change in CPI for Award of Division:** This has been done, in view of change in equivalence of CPI to percentage of marks, as follows:

CPI

Greater than or equal to 8.00
Less than 8.00 and greater than or equal to 6.50
Less than 6.50 and greater than or equal to 5.50
Less than 6.50 and greater than or equal to 5.00

EQUIVALENT DIVISION

First Division with honours*
First Division
Second Division for degree courses
Second Division for diploma courses

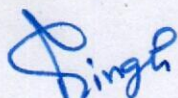

*First division with honours will be awarded only if the candidates clear all the subjects in single attempt in normal duration of the programme and that too in regular semester/trimesters.

The Academic Council ratified the same.

Item No. 16.19: Any other items with the permission of the Chair.
