## Invitation as a Keynote Speaker for TypoDay 2021

Dear Professor Mohanty,

On behalf of the Indian Institute of Technology Bombay (IITB), Mumbai and its IDC School of Design (IDC), it gives us great pleasure to invite you as a Keynote Speaker for Typography Day'21 (held online during 27-28 August 2021).

Typography Day 2021, an international event that explores the relationship between design and typography was founded in 2008.

Typoday, as the name suggests, is an event that is dedicated to exploring and understanding works of typography from around the world. The 2021 event is the 13<sup>th</sup> edition and is being held online on account of the pandemic situation.

This year, Typoday'21 is particularly close to our heart as it carries a very special message that is profound for addressing a much neglected area. And one that should be of some comfort to scholars and practitioners such as you.

The event takes its cue from UNESCO's recent declaration of 2022-2032 as being the 'Global Decade of Indigenous Language.'

Every year, Typography Day assigns itself a theme based on which its keynotes, poster competition, and its basic intent for the year gets established. We view the 'Global Decade of Indigenous Languages' declaration as a beacon of hope, at a time when we are also leaning on hope and optimism to combat a common enemy: the pandemic.
