Re: Letter of invitation to **Dr. Anukool Vaishnav for the Postdoctoral position** at the  
Newe Ya'ar Research Center, ARO  
To whom it may concern,

My name is Dr. Eric Palevsky. I am a researcher in the Entomology Dept. of the Volcani Institute, Agricultural Research Organization (ARO), stationed at the Newe Ya'ar Research Center (NYRC), Israel.

This letter is a formal invitation, valid through May 2021, to Dr. Anukool Vaishnav, passport number M5329915 for the Post-Doctoral position of one year at NYRC (starting from his date of arrival), with an option for an extension of an additional year, provided both parties (Dr. Vaishnav & Dr. Palevsky) approve. Dr. Vaishnav Post-Doctoral stipend will be of the annual amount of 100,000 new Israeli Shekels. This stipend is expected to cover the costs of modest accommodations and living expenses. Please note that no additional funding will be paid by ARO.

Please be aware that ARO is a government research institution and not a University and does not have at its disposal dormitories or housing accommodations. Accordingly, visiting scientists rent accommodations nearby at their expense. Having said that, at NYRC there is a warm and embracing community of international Post Doctoral scientists who will facilitate Dr. Vaishnav acclimatization and quarantine. As Dr. Vaishnav hosting scientist, I will be responsible for securing housing prior to Dr. Vaishnav arrival. Additionally, I will pick Dr. Vaishnav from the airport and bring him to his accommodations where he will remain during his period of quarantine. During this period I will look after Dr. Vaishnav's needs.

Dr. Vaishnav will be welcome in my lab, will have desk and bench space, and will be provided access to office and scientific equipment. Furthermore, If there are any questions regarding Dr. Vaishnav Post Doctoral stay, please feel free to contact me.

Sincerely,

*Eric Palevsky*
