GLA University (Track ID: UPUNGN11537)

INDEX 2016-17

3.3.2 Number of workshops/seminars conducted on Research methodology, Intellectual Property Rights (IPR),entrepreneurship, skill development during the last five year

S.N.	Name of the workshop/ seminar	Page Number/ Hyperlink
1	Workshop on Image Processing and its Application	3
2	Workshop on Technical Report Writing and authoring of Research Manuscript with Latex	9
3	Guest lecture on Intellectual property right	15
4	Guest lecture on Patent filling	21
5	Understanding the fundamentals of Research in Management Studies	26
6	One day FDP on How to write Research Papers	30
7	Patent Filling Process & PCT	34
8	How to Enhance Entrepreneurial Skills	43
9	Emerging Opportunities and Risk Management	47
10	Seminar in "Strategies for Business Excellence: Scalable, Sustainable & Profitable	50
11	Workshop on Intellectual Property Rights	54
12	Six Day FDP on "Emerging Paradigms in Organizational Behaviour"	63
13	Six Day FDP on "Managing Conflicts and Teamwork for Healthy Work Environment"	78
14	Guest lecture on Physiotherapy By Dr. Apurva Dubey	91
15	M. tuberculosis immunology by Dr. U Sengupta	97
16	creative ways of teaching vocab and language skills	101

17	Two day Seminar in New trends in Physics -I	107
18	Guest Lecture on IT Skills Awareness Seminar	111
19	Guest Lecture on New Frontiers in Cloud Computing for BigData, IoT, and Smart Cities Applications and Opportunities for Systems and Data Mining Researchers	116
20	Guest Lecture on Data Mining Algorithms and Their Scalability in Cloud Environments	121
21	Workshop on Data structure and Algorithms	126
22	Workshop on Research Paper Writing and Publication Ethics" (Technically Sponsored by IEEE , IEEE Uttar Pradesh Section, IEEE Computer Society GLA University Student Branch Chapter & IEEE U.P. Section Young Professional Affinity Group)	130
23	Workshop on Machine Learning	147
24	Workshop on Python	152
25	Workshop on Advances in image and video processing	155
26	Two day workshop on Industrial automation systems	168
27	Two day skill development workshop on Engineering application of dSPACE	175
28	Guest lecture on recent advancements in drug designing approaches	179
29	Guest lecture on applications of nanoparticulate system in targeted drug delivery	182
30	Workshop Fractional Calculas and its Applications (FAC-2016)	185
31	Black Holes	197

Report on:" Workshop On Digital Image Processing and Application"

Event Title: **Workshop On Digital Image Processing and Application**

Speaker/ Resource Person: Dr. Abhilash Kumar Dhara, NIT Jamshedpur

Prof. Sibendu Samantu, IIT , Kharagpur

Resource Person Detail: Research experience in bacterial chemotaxis modeling, trajectory analysis from time-lapse microscopy (using image processing), and microfluidic channel fabrication.

Date: 1-2 October,2016

Venue: Department Library (R-2011), AB-II

Faculty Coordinator(s): Mr.P.C.Sahu

Participation: Faculty members of Department of Electronics and Communication Engineering

Objective of the Program:

- The objective of this workshop is to give exposure on the digital image processing techniques.
- The applications of Image processing concepts are found in areas such as in machine vision, Biometric image processing and remote sensing.
- This workshop will help the faculty members and enthusiasts/scholars to get trained in MATLAB based image processing. The workshop is designed to stimulate students' interest in Image Processing domain by engaging them in a completely purpose driven study environment with hands-on activities while fostering a sense of curiosity and accomplishment.

Report on: Workshop On Technical Report writing and Authoring of Research Manuscripts with LaTeX

Event Title: Technical Report writing and Authoring of Research Manuscripts with LaTeX

Speaker/ Resource Person: Prof. Prashant Singh Rana, Associate Professor,Thapar University, Patiala

Date: 12-13 May,2017

Venue: Department Library (R-2011), AB-II

Faculty Coordinator(s): Mr. Anjan Kumar

Participation: Faculty members of Department of Electronics and Communication Engineering

Objective of the Program:

- The objective is to provide an exposure to the participants to the state-of-the art skills in Technical Report writing and Authoring of Research Manuscripts with LaTeX through interaction with experts from academic institutions including host institution
- The technical program will include state-ofthe-art lectures, hands-on Latex-lab sessions, and discussion/presentation sessions.

Report on:"Guest Lecture on Intellectual Property Right"

Event Title:Guest Lecture on Intellectual Property Right

Speaker/ Resource Person: Prof. Dharmendra Upadhay, NSIT, New Delhi

Date: 05 September,2016

Venue: Department Library (R-2011), AB-II

Faculty Coordinator(s): Dr. Manish Gupta

Participation: Faculty members of Department of Electronics and Communication Engineering

Objective of the Program:

- To create awareness about the need and importance of Intellectual Property Rights (IPR) among the faculty through periodic workshops.
- To facilitate filing of applications for patents and other IPR.
- To recommend financial assistance for filing IPR, by the faculty of the Institute as per the norms of the institute.

Resource Person Detail

Prof. Dharmendra Upadhay

Qualifications: B.E., M.Tech., Ph.D.

DesignationProfessor

DivisionElectronics and Communications Engineering

Contact No.011-25000128

E-Mailupadhyay_d@rediffmail.com

Dr. Dharmendra Kumar Upadhyay is Associate Professor in the Division of Electronics and Communication Engineering. He holds Bachelor of Engineering in Electronics and Communication Engineering from Kumaon University, Nainital and Master of Technology in Communication and Information Systems from Aligarh Muslim University, Aligarh, U.P. He obtained Ph.D. from Uttarakhand Technical University, Dehradun, Uttarakhand. His research interests include Digital Signal Processing, Microwave Filter and Antenna Designs. He has published several papers in various International Journals including IET, Electronics Letters. He has also presented his research work in several International IEEE Conferences. He is a life member of ISTE. He is also the reviewers of several reputed International Journals namely IEEE Transactions on Circuits and Systems-I; Circuits and Systems-II; Signal Processing; Circuits Systems and Signal Processing-Springer, ETRI Journal etc. He is guiding three Ph.D. research scholars.

Areas of Interest

1. Digital Signal Processing
2. Microwave Filter
3. Antenna Designs

Report on: Workshop on Understanding the Fundamentals of Research in Management Studies

Event Title: Two Days Workshop on Understanding the Fundamentals of Research in Management Studies

Speaker/Resource Person: Dr. Dinesh Kr. Sharma, Prof. Pratima Daipuria

Date: 4-5 November, 2016

Venue: First Floor Conference Hall, Academic Block V

Organized by: Institute of Business Management (PG)

Faculty Coordinator(s): Ms. Rekha Bawa

Participation: Faculty and Research Scholars of Institute of Business Management

Objective of the Workshop:

1. To gain an appreciation of what quality means in the context of academic writing.
2. To understand the nuances of writing different sections of the PhD thesis.
3. To develop the ability to appropriately frame and structure a research argument using evidence as per disciplinary conventions.
4. To understand the requirements of publication.

One Day Workshop

On

"Patent Filling & PCT"

On

19 January, 2017

Time: 10:00 am to 4:00 pm

Venue

IBM Conference hall, Ground Floor, Block V

Resource Person

Mr. Yogesh Rao

Assistant Director,

Office of Development Commissioner (MSME),

Ministry of MSME, Government of India.

About the workshop

Globalization leads to significant challenges for protecting the right of an individual, The PCT makes it possible to seek patent protection for an invention simultaneously in a large number of countries by filing a single "international" patent application instead of filing several separate national or regional patent applications. PCT establishes a procedure for the. filing and processing of a single application for a patent which. has legal effect in the countries which are Treaty members. Simplifies the procedure for obtaining patent protection in.

India will become the 151st country to be bound by the Paris Convention. India will become the 98th country to be bound by the PCT. It will be possible to designate India in international applications only as from the date of entry into force of the PCT in respect of India. Patent Filling & PCT workshop will help you to learn the process of filling patent and its significance in corporate life.

About GLA University

The GLA University is one of the emerging NAAC accredited "A"grade. The university is home to more than 12,000+ studentsand boasts of a 26000+ alumni base. The university runs agamut of diploma, undergraduate, postgraduate and doctoral programs. The University has more than 550+ full-time wellqualified teaching staff with 700+ non-teaching staffmembers. The University has Moll with Arkansas University, USA,California state University, Sol Bernardino, USA, University ofSt. Thomas, Minneapolis, USA and few others. Various

MNCshave set-up their labs and Center of Excellence at the University,thus indicating its uncompromising approach toward qualityprofessional education.

About the Department

Career is at the forefront for every conscious student and they intend to pursue such programmes which would enable them towards realizing their future aspirations. The undergraduate management department of Institute of Business Management understands that well, owing to its decade-old legacy. Comprehensively-researched fourprogrammes, namely, BBA, BBA-Family Business, BBA Honours, and B.Com Hons. Economics cater to their unique needs with broad-based career choices, hallmarked by course curricula offered under the CBCS (Choice Based Credit System). Classroom learning is suitably complemented by regular exposure through industrial visits, guest interactions, workshops and seminars. Theoretical inputs are well supported with practical insights. In the last decade, the alumni of the department have proved their mettle by doing wonderfully well in various PSUs, banks, corporate sector, government establishments like Indian Army and Ministry of Finance or successfully establishing themselves as entrepreneurs.

Report on: How to Enhance Entrepreneurial Skills

Event Title: How to Enhance Entrepreneurial Skills

Speaker/Resource Person: Dr. Jitendra Dixit

Date: August 29-31, 2016

Venue: Academic Block V

Organized by: Institute of Business Management (PG)

Faculty Coordinator(s): Dr. Utkal Khandelwal

Participation: **Students of Institute of Business Management**

Students learnt the various Demographic changes present opportunities and challenges for entrepreneurs. Shifting social drivers have created more prospects for women, and a changing economy has made freelancing, self-employment and entrepreneurship more accepted. However, this means we are likely to see increased competition for resources and support such as venture financing, mentorship and business incubation.

About the workshop

One of the single most important legal agreements you can use to protect your intellectual property (IP) that ensures sensitive and proprietary information is kept confidential. In the course of creating IP, you'll likely end up sharing information with third parties.

If your business is in the research and development phase of a new product or service, This is also true of potential mergers, acquisitions, or business sales. When NDAs aren't utilized effectively or information is mismanaged, companies may find themselves in the unfortunate position of having a competitor find out what makes the business profitable, and use the information against them or back out of a deal.

About GLA University

The GLA University is one of the emerging NAAC accredited "A"grade. The university is home to more than 12,000+ studentsand boasts of a 26000+ alumni base. The university runs agamut of diploma, undergraduate, postgraduate and doctoral programs. The University has more than 550+ full-time wellqualified teaching staff with 700+ non-teaching staffmembers. The University has Moll with Arkansas University, USA,California state University, Sol Bernardino, USA, University ofSt. Thomas, Minneapolis, USA and few others. Various MNCshave set-up their labs and Center of Excellence at the University,thus indicating its uncompromising approach toward qualityprofessional education.

About the Department

Career is at the forefront for every conscious student and they intend to pursue such programmes which would enable them towards realizing their future aspirations. The undergraduate management department of Institute of Business Management understands that well, owing to its decade-old legacy. Comprehensively-researched fourprogrammes, namely, BBA, BBA-Family Business, BBA Honours, and B.Com Hons. Economics cater to their unique needs with broad-based career choices, hallmarked by course curricula offered

under the CBCS (Choice Based Credit System). Classroom learning is suitably complemented by regular exposure through industrial visits, guest interactions, workshops and seminars. Theoretical inputs are well supported with practical insights. In the last decade, the alumni of the department have proved their mettle by doing wonderfully well in various PSUs, banks, corporate sector, government establishments like Indian Army and Ministry of Finance or successfully establishing themselves as entrepreneurs.

Outcome of the Workshop

GLA University provides an empowering learning experience in established and emerging professions and capacity-building for leadership, entrepreneurship and innovation. It is the key to protect Intellectual Property (IP) using NDA in order to benefit the society and minimizing the risk of valuable ideas remain on the shelf. The current global economic crisis is also focusing on renewed attention on the urgent need to incentivize and protect innovation to both solve the world's most challenging problems and to generate jobs and economic growth. The main aim of this workshop is to impart greater awareness about the issue of Protecting your IP with an NDA, which gained a special importance for all the domains of socio-economic development. The power to evolve innovations and thinking in an innovative manner in an organizations can be increased by means of creating Intellectual Property awareness amongst its employees and students, who are directly or indirectly involved in the process of innovation. The one day IP protection workshop using NDA aims at

establishing a basic level of IP protection awareness using NDA amongst the workshop participants, such that the chances of obtaining well-protected innovation (Patents) for their organizations are increased. The participants of the workshop will be able to understand the procedures to Protect the research outcome into patents/technologies to license using NDA. Moreover, this workshop would focus on:-

- **Importance and role of protecting your IP using NDA**
- **A definition of what's considered confidential information,**
- **The term of the relationship (time period) and how long the information should remain confidential, and Examples of appropriate (and inappropriate) uses of the confidential information.**

Who Can Participate

Faculties, industry personnel, scientists, Research Scholars in any branch of Social Sciences are eligible to apply on the prescribed format. Interested candidates are required to register themselves.Selected candidates would be informed 15 days in advance.

ABOUT GLA UNIVERSITY

It was the year 1991 Shri Narayan Das Agrawal decided to fulfill the dream of his father, Late Shri Ganeshi Lal Agrawal, of establishing an institute for quality education to the people and the region & beyond. and initiated Sri Jagannath Prasad Ganeshi Lal Bajaj Charitable Trust Samiti in an attempt to make the holy city Mathura a recognized destination for knowledge seekers from different spheres of life. This is what led to the foundation of a milestone at the karmabhoomi of the versatile and sagacious Lord Krishna. GLA has been actively involved with social causes since its very inception and has drawn appreciation from one and all for its works in various facets of societal paradigms.

ABOUT THE UNIVERSITY

GLA University aims to provide knowledge, research and education in the various fields of Engineering, Management, Science etc. Through its innovative and comprehensive scheme of education, GLA University aims at excellence. In order to provide relevance and meet heavy demand of the industry for skilled and technical manpower, GLA University offers Graduate, Post Graduate and Diploma courses in various branches.

ABOUT THE DEPARTMENT

GLA Management Department is one of the best Management Colleges in UP in the state with over 2000 students and 80 plus faculty members, offering a wide range of specialization like Business intelligence, Data analytics, Supply chain management, Logistic management, I.B, I.T, H.R, Marketing and Finance, MBA in Financial Market, Logistic and supply chain management etc.

The mission of the IBM is to foster academic excellence by imparting quality education at undergraduate level; and research opportunities at graduate levels with empowered faculty and staff. Students are provided with a strong academic foundation in business, and are prepared to become global citizens who are productive, competent, environmental conscious, ethical professionals with social responsibility.

The IBM cultivates a highly-interactive, student-centric and conducive to learning environment that is embedded with state of art the instructional methodologies and the development of leadership and life- long learning skills in its students.

ABOUT THE FDP

The **Institute of Business Management**, GLA University is organizing a Faculty Development Program (FDP) from 14th April to 19th April 2017 on the theme: "Emerging Paradigms in Organizational Behaviour" wherein renowned academicians shall deliver the expert talks on various topics related to the theme. The case method remains the preferred teaching method at business schools across the world, constantly adapting and evolving to meet students' changing expectations. Case studies provide a means for abstract and conceptual ideas to be applied to practical, real-world business scenarios. The intent of the Faculty Development Program is to train high-potential faculty and case writers in the case writing and case teaching process, and foster a case writing and case teaching culture in management schools.

WHO CAN ATTEND?

Faculties and Research Scholar of Management and allied areas

FDP OBJECTIVES

- Suggest new roles for organization development
- Suggest the ways for professional development
- Make familiar with paradigms shift in organizational development
- Understanding of organizational interventions for wider impact

TOPICAL COVERAGE

- Drawing from appreciative inquiry
- Positive organizational changes
- Organizational development
- Emergence of new creative roles
- Holistic thinking at organization

RESOURCE PERSONS

1. Prof. Somesh Dhamija
2. Dr. Aruna Dhamija
3. Dr. Kapil Bansal

GLA University, Mathura U.P.

About GLA University

It was the year 1991 Shri Narayan Das Agrawal decided to fulfill the dream of his father, Late Shri Ganeshi Lal Agrawal, of establishing an institute for quality education to the people and the region & beyond. and initiated Sri Jagannath Prasad Ganeshi Lal Bajaj Charitable Trust Samiti in an attempt to make the holy city Mathura a recognized destination for knowledge seekers from different spheres of life. This is what led to the foundation of a milestone at the karmabhoomi of the versatile and sagacious Lord Krishna. GLA has been actively involved with social causes since its very inception and has drawn appreciation from one and all for its works in various facets of societal paradigms.

About the FDP:

The Institute of Business Management, GLA University is organizing a Faculty Development Program (FDP) from 14th April to 19th April 2017 on the theme: "Emerging Paradigms in Organizational Behaviour" wherein renowned academicians shall deliver the expert talks on various topics related to the theme. FACULTY DEVELOPMENT PROGRAMME (FDP)

on

MANAGING CONFLICTS AND TEAMWORK FOR HEALTHY WORK ENVIRONMENT (18-23 December, 2016)

Organized by

(Institute of Business Management)

GLA University, Mathura

Name: Yogendra Pal Bhardwaj

Designation: Assistant Professor

Institution: GLA University

Email.: yogendrapal.bhardwaj@gla.ac.in

Mobile No. 9457660196

Address for Correspondence: Mathura (UP)

Subjects taught so far: Marketing, finance

Educational qualification: MBA (PhD)

Experience (in years): More than 10 years.

Teaching: —

Research: —

Industry:

Declaration:

The information provided above is true to the best of my knowledge. I agreed to abide by the regulations of the FDP and shall attend the course for entire duration. I also undertake the responsibility from the Coordinator in case, I am unable to attend the course.

Feedback Form for Six-day FDP by IBM-UG, Mathura

Dear Participants,

Thank you for your valuable participation in the six-days FDP on "**MANAGING CONFLICTS AND TEAMWORK FOR HEALTHY WORK ENVIRONMENT**" from 18th December to 23rd December 2016 organized by the Institute of Business Management - UG, GLA University, Mathura. We hope that you all had a great learning experience and interaction with our valuable resource person. Kindly take care while filling the name, designation, and affiliation, as it may be used for certificate purposes.

1. Name (As required to be mentioned in Certificate)

Dr. Avnish Sharma

2. Designation

Assistant Professor

3. Affiliation

GLA University, Mathura

4. Please tick (√) the appropriate column in front of the question. Column: 5=fully, 4=toa large extent, 3=to some extent, 2=Not really, 1=Not at all Column

Report on : Guest Lectutre on Physiotherapy

Event Tittle	:Guest Lectutre on Physiotherapy
Speaker/Resource Person	:Dr. Apurva Dubey, Physiotherapist, Nayati hospital , Mathura

Date 8Sep-2016

Organized by :Department of Biotechnology

Faculty Coordinator :Dr. Anjana Goel

Participants : Faculties and Students of Department of Biotechnology

Objective of the Guest Lecture :

1. Think about getting physiotherapy if you have an injury, or chronic pain that affects how you function everyday. A doctor may refer you to physiotherapy after surgery such as a hip replacement, or an event such as a heart attack or stroke.
2. Neck and back pain caused by problems in the muscles and skeleton
3. Problems in the bones, joints, muscles and ligaments, such as arthritis and the after-effects of amputation
4. Lung problems such as asthma
5. Disability as a result of heart problems

Anjana

दिनांक– 12.09.2016

जी0एल0ए0 में वर्ल्ड फिजियोथैरेपी दिवस मनाया :

जी0एल0ए0 विष्वविद्यालय के बायोटेकनोलॉजी विभाग में 08 सितम्बर 2016 को फिजियोथैरेपी दिवस के अवसर पर डॉ0 अपूर्व नारायण द्विवेदी, विभागाध्यक्ष फिजियोथैरेपी विभाग, नयति हॉस्पीटल, मथुरा ने छात्रों को फिजियोथैरेपी का महत्व समझाते हुए व्यायाम के जरिये मास–पेषियों को सषक्त एवं सक्रिय बनाने पर प्रकाष डाला। कार्यक्रम का शुभारम्भ विष्वविद्यालय के कुलपति, प्रोफेसर डी0एस0 चौहान, उप कुलपति प्रो0 आनन्द मोहन अग्रवाल, निदेषक प्रो0 अनूप कुमार गुप्ता, निदेषक प्रो0 प्रदीप मिश्रा एवं विभागाध्यक्ष प्रो0 ए0के0 भाटिया ने मॉ सरस्वती एवं प्रेरणाश्रोत स्वर्गीय श्री गणेषी लाल जी अग्रवाल के चित्र पर माल्यार्पण कर किया।

अपने व्याख्यान में उन्होंने भौतिकी चिकित्सा के बारे में छात्रों को अवगत कराते हुए बताया कि यह एक स्वास्थ्य प्रणाली है जिसमें लोगों का परिक्षण किया जाता है एवं उपचार प्रदान किये जाते हैं ताकि वे अजीवन अधिकाधिक प्रतिषीलता एवं क्रियात्मकता विकसित करें और उसे बनाये रख सकें। इसके अन्तर्गत वे उपचार आते हैं जिनमें व्यक्ति की गतिषीलता आयु, चोट, बिमारी एवं वातावरण सम्बन्धि कारणों से खतरे में पड़ जाती है। शारीरिक चिकित्सा का सम्बन्ध जीवन की उत्कृष्ता एवं गतिषीलता के सामर्थ्य को पहचानने एवं उसको अधिकतम करने के साथ–साथ उसका प्रोत्साहन, बचाव, उपचार, सुधार एवं पुनर्सुधार करने से है। इसमें जीवन को पहचानना और उसकी गुणवत्ता को बढ़ाना है साथ ही साथ लोगों को उनकी शारीरिक कमियों से बाहर निकालना, निवारण, इलाज बताना और पूर्ण रूप से आत्मनिर्भर बनाना है। यह शारीरिक, मानषिक, भावनात्मक और सामाजिक क्षेत्र में अच्छे तरह से काम करने में मदद देती है। कार्यक्रम के अंत में विभागाध्यक्ष डॉ0 ए0के0 भाटिया ने डॉ0 अपूर्व नारायण द्विवेदी को स्मृति चिन्ह प्रदान करते हुए उन्हें धन्यवाद दिया।

इस अवसर पर विभाग के सभी अध्यापकगण विषाल खण्डेलवाल, डॉ0 आलोक भारद्वाज, प्रदीप कुमार चौधरी, डॉ0 अंजना गोयल, आदित्य संक्सेना, डॉ0 रमा शर्मा, अनुजा मिश्रा, डॉ0 गौरव पंत, नितिन वाही इत्यादि उपस्थित थे।

Report on : Guest Lecture on Immunolgy of Mycobacterium tuberculosis

Event Tittle	:Guest Lecture on Immunolgy of Mycobacterium tuberculosisSpeaker/Resource Person
Speaker/Resource Person	:Dr. U Sengupta, National Leprosy Mission, New Delhi
Date	17November 2016
Organized by	:Department of Biotechnology
Faculty Coordinator	:Dr. Anjana Goel
Participants	: Faculties and Students of Department of Biotechnology
Objective of the Guest Lecture	:

1. Knowledge of the host response to *M. tuberculosis* infection has benefited greatly from the development of animal models of infection. The variable outcomes of *M. tuberculosis* infection in humans are challenging to model in a single animal model.
2. Many experimental animals are susceptible to *M. tuberculosis* infection and can inform us about aspects of human disease
3. The mouse model for TB benefits from many advantages: ease of manipulation and housing, availability of well-characterized inbred strains, sophisticated techniques for the generation of mutant strains, availability of immunological and other reagents, and relatively low cost.

About the University

GLA University specializes in Technical Education. It is now also expanding its Humanities curriculum and has a Ph.D. Programme in English. The Master's Programme in English is likely to begin soon.

The university is about 125 kilometers from the national capital on the N H-2 on the outskirts of Mathura.

About the Department

Department of English of GLA University came into existence in 1998 with the inception of the university. It has around 50 teachers specializing in various fields of English studies.

About ELTAI

Established in 1974, *English Language Teachers' Association of India* is India's premier organization to provide a forum for teachers of English to meet periodically and discuss problems relating to the teaching of English in India; further to help teachers interact with educational administrators on matters relating to the teaching of English.

ELTAI has been undertaking innovative projects aimed at the improvement of learners' proficiency in English. It has been organizing International Conferences in association with top universities of India.

National Workshop on

Creative Ways of Teaching Vocabulary and Language Skills

A National Workshop on the topic: ***Creative Ways of Teaching Vocabulary and Language Skills*** was organized on November 30, 2016 by the Department of English. The workshop was conducted in association with 'English Language Teacher's Association of India (ELT@I)'.

The resource person/s for the workshop was Prof Elango Kandan.

The participants of the workshop were faculty members of the Department of English, GLA University, Mathura and teachers and students of other schools of Mathura.

Objective of the Workshop

Vocabulary and Language Skills are the two significant aspects of language learning as they play important roles in enhancing the LSRW skills of the learners. Teachers of English Language keep on experimenting with the creative pedagogy related vocabulary and other language skills. The workshop was conducted to share and discuss such innovative ways, as well as practice the same with the faculty members of the department. The broad objective was to add value to the teaching skills of the faculty members.

Areas Covered

The workshop mainly focused on vocabulary enhancement through

- Listing of words according to grammatical categories,
- Usage as the most effective tool of vocabulary learning,
- Use of text,
- Describing action pictures,
- English subtitles of Bollywood movies, and
- Books and online English language learning portals.

Venue and Sessions: The aforesaid topics were taken up in four different sessions organized from 10 am to 5.30 pm. The venue of the workshop was IBM conference Hall, AB VI, GLA University.

Conference Name: Two day seminar on new trends in physics -I

Speaker: Prof. Pranawachandra C. Deshmukh, IIT Tirupati

A popular lecture is organized in the department of physics held on 19th -20th February, 2018 by Prof. Pranawachandra C. Deshmukh, IIT Tirupati for Ph.D. Scholars and Faculty members, The lecture was also attended by students of B. Tech I years. A good interaction held between speaker and audience during the question hour session. The lecture has been very informative for Ph.D students and Faculty members who are engaged in research activity under Ph.D. Programme of the Department.

The following faculty members, research scholars and B. Tech students attended the guest lecture delivered by Prof. Pranawachandra C. Deshmukh

Faculty of the Department

1. Prof. B. R. K. Gupta

Report

Title: Report on Two days seminar on New Trends in physics II

Objectives:

The seminar is organized in the department of physics held on 03rd -4th February, 2018 by Prof. G. S Raghuvanshi, Rajasthan Technical University. The main outline of the talk emphasized on journey of quantum mechanics to quantum field theory. The speaker started his talk by introducing the basic structure of classical and quantum mechanics. Prof. G. S. Raghvanshi has discussed evolution of quantum filed theory and its modern applications.

Speaker and Resource Person: Prof. G. S Raghuvanshi, Rajasthan Technical University, Kota

Venue: Room No 123 AB-7

Organized By: Department of Physics, GLA University, Mathura

Faculty Coordinator: Prof. BRK Gupta, GLA University, Mathura

Outcome:

All the participants gained the knowledge pertaining to advancements in quantum mechanics. They were able to understand the real world problems related to the quantum mechanics as well as quantum field theory.

Summary:

A two days Conference on New Trends in Physics-II was organized on 03 Feb, 2018 – 04 Feb, 2018. A total of 7 participants had joined the session and certificates were given to them. This conference has also been attended by the B.Tech students. Session was inaugurated by Prof B. R. K. Gupta, Department of Physics, GLA University, Mathura. A very fruitful discussion between the participants and speaker happened during the one hour question and answer session.

Mobile: +91 9880200663, 9958543594

Interaction with: B.Tech. Third year students (430)

Date of Guest Lecture: October 3, 2016

Topic of the Interaction: IT Skills Awareness Seminar

BRICS Chamber of Commerce and Industry is a registered body under Societies Registration Act - Government of India. It is a young not-for-profit organization committed to build an enabling eco-system especially for entrepreneurs and SME segment from different parts of the country.

In the digital world, the pace at which technology advances is difficult to keep up with. While the industry is trying to catch up with technology, problem is the shortage of right skills. There is a glaring difference in the level of skills available with fresh technology graduates and Industry requirement. The changing landscape demands skilled workforce for the digital revolution.

In this regard a seminar was conducted. The objective was to generate awareness in the areas of niche technologies, emerging market needs, the industry focus on tools and technologies, and the types of job roles in the market. An HR segment talked about career planning and the need for soft skills which is a very critical component for the success in corporate world.

Ms. Neetu Kishore conducted the whole session, she is the Convener of "IT & Telecom - Center of Excellence" and CEO of Technovations Services Pvt. Ltd. She went into her own start-up after working in the corporate world for over two decades. Her concept is to work in the space between Academic and Industry along the theme of Skilling India focussing currently in the IT & Telecom Industry. She is focussed on the need for skilled qualified people for the emerging technologies and digital world by bridging the gap between academia and the industry.

She has taken up challenging opportunities to transform IT environments, prepare the organization and lead through various IT environmental and technological changes. Her responsibilities have been around making IT an enabler and partner to business, leveraging diverse talents and skills across geographies.

She has worked with General Electric in IT Leadership roles in GE Aviation Supply Chain & GE Healthcare IT Center of Excellence. Her past job experiences include Infosys, CMC Limited, Fujitsu ICIM, & Samtech Technologies.

She is a Master of Technology in Computer Science & Engineering and done her Executive Management from IIM Calcutta. She is also a graduate of GE's

prestigious EIMP Leadership program, which had its affiliation with Carnegie Mellon University, Pittsburgh, USA.

Highlights of Event:

Information Retrieval and Data Mining Research Group, Department of Computer Engineering & Applications in association with CSI GLAU Student Branch/ Mathura Chapter, IEEE U.P. Section and IEEE Computer Society/IAS GLAU Student Branch Chapter organized Seminar on December 24, 2016. Prof. Rajkumar Buyya University of Melbourne, Australia visited to GLA University Mathura on December 24, 2016. He delivered Seminar on " New Frontiers in Cloud Computing for BigData, IoT, and Smart Cities Applications and Opportunities for Systems and Data Mining Researchers ". Prof. Rajkumar Buyya is Professor and Director, Cloud Computing and Distributed Systems (CLOUDS) Lab at University of Melbourne, Australia & also serving as the CEO, Manjrasoft Pvt Ltd, Melbourne, Australia. In his seminar he discussed about Cloud computing, SMAC (social, mobile, analytics and cloud) concepts and its benefit to research community and industry, He discussed about big data environment and also discussed abut ANEKA Software platform that is widely used for programming and converting current algorithm for processing and analysis Big Data etc application. Aneka is a platform and a framework for developing distributed applications on the Cloud. Prof A S Jalal, HoD CEA Dept, welcomed the speaker by presenting a buke to him. Introduction of speaker was given the by Prof. Dilip Kumar Sharma. Seminar was also co-ordinated by Prof Sharma. Members of Information Retrieval and Data Mining research group Ashish Sharma, Rahul Pradhan, Shashi Shekhar, Aamir Khan and M. Tech. & PhD CSE scholars discussed their ongoing thesis work with Prof Buyya and benefited by his valuable situation.

INTRODUCTION

Tech Focus is a one day technical training workshop focusing on developing research awareness for beginners (post-graduate students, research scholars and young academicians / faculty). The event will cover talks/interactive sessions from eminent dignitaries on topics like Plagiarism, Research Paper Writing, Effective Patent Writing etc. The session will also include an Open Discussion Forum and networking session focusing on pursuing research as career beyond graduation / post-graduation, current challenges and constraints faced by young professionals.

RESOURCE PERSONS

- **Prof. J. Ramkumar**
  Professor IIT Kanpur, Chairperson, IEEE UP Section, India
- **Prof. S. N. Singh**
  Professor IIT Kanpur
- **Er. Dhanukumar Pattanashetti**
  IEEE Client Services and University Partnership Program Manager, Bangalore
- **Prof. Aniruddha Pradhan**
  Dean R&D, GLA University, Mathura

ELIGIBILITY

Faculty, Student, Research Scholar, from academic institutions, research organizations, Engineers from industries, Government / Semi-Government agencies.

REGISTRATION FEES

Corporate Executives/ Professionals:	INR. 1500/-
Academicians/ Research Scholar / Students CSI/IEEE Members:	INR. 500/-
Academicians/ Research Scholar / Students CSI Non Members:	INR. 600/-

Note: Registration Fee includes Attendance to Workshop, Workshop Kit, Tea & Snacks and Lunch.

2016 IEEE R10 U.P. Section Young Professionals
Student Transition and Elevation Partnership Program (STEP)

"TECH-FOCUS"

A One Day National Workshop on
'Research Paper Writing and Publication Ethics'
held at GLA University, Mathura on 24 September 2016

We take this proud privilege to announce the formation of Young Professionals Affinity Group in IEEE UP Section recently in the month of May, 2016. As the opening activity of this affinity group under UP Section, this event "TECH-FOCUS" has been hosted as YP Student Transition and Elevation Partnership Program (STEP) ---- in the form of A One Day National Workshop on "Research Paper Writing and Publication Ethics".

Dignitaries (Various Speakers) on the dais.

Prof. (Dr.) J. Ramkumar, Chairman IEEE UP Section, Lighting the Lamp at Inauguration Ceremony.

The Department of Computer Engineering & Applications, GLA University, Mathura organized this workshop and was sponsored by IEEE Asia-Pacific (R10) Young Professionals STEP, IEEE U.P. Section Young Professional Affinity Group, IEEE CS GLAU student branch chapter. The activities in this workshop focussed towards developing research awareness for beginners (graduate students, research scholars and young academicians/faculty). The talks/interactive sessions have been conducted from eminent dignitaries on topics like Plagiarism, Research Paper Writing, Patent filling issues etc. Lastly, the session concluded with YP group activity along with Open Discussion Forum, focusing on pursuing research as career beyond graduation, current challenges and constraints faced by young professionals.

The Chief Guest, Prof. (Dr.) S.N. Singh from IIT Kanpur and IEEE R10 CTS Coordinator, inaugurated the event along with Prof. (Dr.) J. Ramkumar, (Chairman, IEEE U.P. Section) also from IIT Kanpur, Mr. Dhanukumar Patansethi from IEEE Bangalore Section. The inaugural event was graced with the presence of GLA University's Pro-Vice Chancellor, Prof. Anand Mohan Agarwal, Prof. Anoop

Felicitation and Welcome of Chief Guest, Prof. (Dr.) S. N. Singh, IIT, Kanpur.

Prof. (Dr.) S. N. Singh, IIT, Kanpur, delivering his talk on topic "Effective Writing and Publishing Research Papers"

Kumar Gupta, Dean of Research and Development, Dr. Anirudh Pradhan, Head of Computer Engineering and Applications Department, Prof. Anand Singh Jalal and Prof. Dilip Kumar Sharma who lighted the lamp to initiate the workshop. The welcome speech was given by Prof. Anand Singh Jalal & the theme was introduced by Prof. Dilip Kumar Sharma. Dr. S.N. Singh during his inaugural address spoke about the five-point spells for good education. He mentioned that academicians should be expert in TRPIP i.e. the Teaching, Research, Publication, Institutional and Professional activities. Pro-Vice Chancellor, Prof. A.M. Agarwal during his address to YP delegates mentioned that the subject of the workshop is very important a skill development. Because, a better and skilled presentation makes a research to claim national and international recognition.

Dr. Singh also gave a talk on the topic "Effective Writing and Publishing Research Papers", stating that in order to write a research paper the necessary content, language and the image content should be correctly analyzed and placed. Also, the usage of various tables and results for the comparative analysis and study should be used for enhancement of paper. He also added that by using the precise vocabulary one should appropriately define our research. It is equally important to summarize the results and key findings. Referral sources used should be appropriately cited and duly mentioned at the end of the research paper in a chronological order.

Prof. J. Ramkumar, delivered an expert talk on "Effective Patent Filing and Related Issues'. He mentioned in his talk that patents in different countries are filed in a number of ways. In India, 20 years of patent term is certain. He stated in his discussions that a research paper can be well used for scientific identification and investigation of technical and social issues. The first writing experience may be scary but if one focuses and organizes his mind then this process can be made easier.

Later, Er. Dhanukumar Pattanashetti, spoke on "IEEE Xplore Digital Library: Delivering Research Better Than Ever" said that the in the age of information, knowledge is expanding rapidly. Today, every organization has a need for the digital library. In this way, students learn about new authors and get various information from these digital libraries, but due its no-availability in some institutions students are being left behind. During the workshop Prof. Sheerish Chowdhury delivered a lecture on "English for

Prof. (Dr.) Dilip Kumar Sharma, Secretary, IEEE UP Section, Distributing Certificates to Young Professionals.

Research Paper Writing". In his lecture, he mentioned that only with correct language, one can express the thoughts and views correctly to communicate a research. He discussed upon the relevance of language usage in research letters, articles, proposals and projects.Prof. Aniruddha Pradhan spoke on "Effective Research Proposal Writing and Related Issues". He emphasized upon need and relevance of a research grant proposal in R & D activity. Prof. Dilip Kumar Sharma delivered a lecture on the "IEEE Plagiarism Guidelines", that plagiarism is a crime, which puts up questions on the research of academicians. He described it as the act when a research of another person is re-published without making any changes in it, which is an offence.

Lastly, a YP group activity was also conducted: wherein, the participants were divided into small teams of 5-8 each. The team consisted of a mixed group of faculty, scholars and students. A common team activity was assigned to all the groups and was given 10-15 minutes time and asked to pen down the major challenges faced by them in pursuing research or in defining their research problem? Each team was then asked to present the same verbally before host and the host gave them some solutions, guidelines or suggestions. The activity was concluded an open discussion forum for participants. The guests were given mementos by the official of the workshops as a memory of this YP event at GLA University. The Convener of the program was Dr. Dilip Kumar Sharma, co-convener was Mr. Ashish Sharma and YP Convenor, Mr. Vikrant Bhateja (SRMGPC, Lucknow). The program was managed by Deepali Pawar and Saurabh Anand wherein 90 YPs from 15 different educational institutions took part in this workshop. On this occasion Anant Ram, Dr. Manas Mishra, NitinTyagi, Shashi Shekhar, Rakesh Galab, Deepak Mangal, Neeraj Varshney, Saurabh Srivastava, Praveen Mittal, Kailash Kumar, Rahul Pradhan & Pushp Maheshwari gave their commendable cooperation.

जीएलए में हुई कार्यशाला में विशेषज्ञों ने रखे शोध लेखन व प्रकाशन पर विचार

शिक्षाविद को टीआरपीआईपी गतिविधियों में माहिर होना चाहिए-प्रो. एसएन सिंह

मथुरा। जीएलए विश्वविद्यालय के कम्प्यूटर इंजीनियरिंग विभाग में रिसर्च पेपर राइटिंग एण्ड पब्लिकेशन एथिक्स आईईईई एशिया पैसिफिक यंग प्रोफेशनल्स के टैक फोकस के अन्तर्गत स्टेप एवं आईईईई उत्तर प्रदेश सेक्शन के द्वारा प्रायोजित कार्यशाला में मुख्य अतिथि प्रो. एसएन सिंह ने अच्छे शिक्षा विद् के लिए पांच सूत्रीय मंत्र बताये। उन्होंने कहा कि शिक्षाविद् को टीआरपीआईपी अर्थात टीचिंग, रिसर्च, पब्लिकेशन, इंस्टीट्यूट एवं प्रोफेशनल गतिविधियों में माहिर होना चाहिए।

प्रभावी लेखन और शोध पत्र के विषय पर प्रकाश डालते हुए आईआईटी कानपुर के प्रो. एस.एन. सिंह ने कहा कि शोध पत्र लिखने के लिए आवश्यक तत्व सरल भाषा, चित्रों का सही विश्लेषण व उनका सही स्थानीयकरण इसी के साथ तालिकाओं के माध्यम से विभिन्न शोधों का तुलनात्मक अध्ययन् शोध पत्रों में प्रदर्शित करना चाहिए। उन्होंने कहा कि हमें सदैव सटीक भाषा का कम से कम शब्दों का उपयोग करते हुए अपने शोध को परिभाषित करना चाहिए। शोध में किन अन्य शोधों का

जीएलए विश्वविद्यालय में आयोजित आईईईई कार्यशाला को संबोधित करते आये हुए विशेषज्ञ।

उपयोग किया गया है उन्हें सही क्रम से लिखना चाहिए और उसी क्रम को शोध पत्र के अन्त में क्रमानुसार प्रदर्शित करना चाहिए। शोध पत्र के अन्त हमें शोध पत्र का सारांश लिखना चाहिए। आईआईटी कानपुर के प्रो. जे. रामकुमार ने प्रभावी पेटेंट दाखिल करने और मुद्दों पर अपने विचार व्यक्त करते हुए कहा कि विभिन्न देशों में पेटेंट विभिन्न तरीकों से किया जाता है। भारत में पेटेंट की अवधि 20 वर्ष के लिए निश्चित की गई है। उन्होंने बताया कि एक शोध-पत्र का इस्तेमाल वैज्ञानिक, तकनीकी और सामाजिक मुद्दों की खोज-बीन और पहचान में किया जा सकता है। यदि शोध-पत्र लेखन का पहला अवसर है, तो बेशक कुछ डरावना भी लग सकता है, पर मस्तिष्क को अच्छी तरह से संयोजित और एकाग्र करें, तो कोई भी इस प्रक्रिया को आसान बना सकता है। उन्होंने बताया कि शोध-पत्र तो स्वयं नहीं लिख जाएगा, पर योजना बना सकते हैं और ऐसी तैयारी कर सकते हैं कि लेखन व्यावहारिक रूप में खुद-ब-खुद जेहन में उतरता चला जाए।

''एक्सप्लोर डिजिटल पुस्तकालय'' पर अपने विचार रखते हुए धनुकुमार पतनसेठी ने कहा कि ज्ञान के इस युग में सूचनाओं का विस्तार तीव्र गति से हो रहा है। आज के समय हर संस्थान में डिजिटल पुस्तकालय की अतिआवश्यकता है। जिससे छात्रों को नए लेखक और विभिन्न सूचनाओं के भण्डारण जानकारी प्राप्त होती है, लेकिन अधिकतरों संस्थानों में डिजिटल पुस्तकालय न होने के कारण छात्र-छात्राएं पिछड़ रहे हैं। इससे पूर्व कार्यशाला का शुभारंभ विश्वविद्यालय के प्रतिकुलपति प्रो. आनंद मोहन अग्रवाल, मुख्य अतिथि प्रो. एसएन सिंह, विशिष्ट अतिथि प्रो. जे. रामकुमार, आईईईई बंगलौर के धनुकुमार पतनसेठी, निदेशक प्रो. अनूप कुमार गुप्ता, रिसर्च एण्ड डेवलपमेंट के डीन डॉ. अनिरूद्ध प्रधान, विभागाध्यक्ष प्रो. आनंद सिंह जलाल, प्रो. दिलीप कुमार शर्मा आदि ने दीप प्रज्जवलित कर किया। प्रो. आनंद सिंह जलाल ने स्वागत भाषण एवं थीम इंट्रोडक्शन प्रो. दिलीप शर्मा ने दिया।

इस दौरान प्रतिकुलपति प्रो. अग्रवाल ने छात्र-छात्राओं तथा शिक्षकों को संबोधित करते हुए कहा कि राष्ट्रीय कार्यशाला का विषय आज के शिक्षकों व छात्रों के लिए अतिआवश्यक है। क्योंकि सही शोध के साथ-साथ उसका प्रस्तुतीकरण उस शोध को राष्ट्रीय व अन्तर्राष्ट्रीय स्तर पर पहचान बनाता है। कार्यशाला के दौरान प्रो. श्रीश चौधरी ने इंग्लिश फॉर रिसर्च पेपर नामक विषय पर अपना व्याख्यान देते हुए कहा कि सही भाषा से हम अपनी बात को व्यक्त कर सकते हैं और वहीं भाषा में गड़बड़ी होने पर अर्थ का अनर्थ भी हो जाता है। उन्होंने कहा कि शोध पत्रों, शोध लेखों एवं प्रोजेक्ट्स में सही भाषा का उपयोग होना चाहिए।

प्रो. अनिरूद्ध प्रधान ने इफेक्टिव रिसर्च प्रपोजल राइटिंग एण्ड इस्यूज पर वक्तव्य देते हुए कहा कि हमें ग्रांट प्रपोजल क्यों लिखना चाहिए पर प्रकाश डालते हुए कहा कि इसकी आवश्यकता किसी भी रिसर्च एण्ड डवलपमेंट गतिविधि को संचालित करने के लिए आवश्यकता पड़ती है। इसके माध्यम से हम शोध संस्थानों से संबद्धता हासिल कर सकते हैं व शोध को सही रूप से संपन्न कर सकते हैं।

प्रो. दिलीप शर्मा ने आईईईई प्लेग्रिज्म गाइडलांस पर व्याख्यान देते हुए कहा कि प्लेग्रिज्म एक अपराध है, जिसके कारण शिक्षाविदों की रिसर्च पर प्रश्न चिन्ह् लग सकता है। साथ ही उन्हें इसके कई दुष्परिणाम भी भुगतने पड़ सकते हैं। इसके लिए प्लेग्रिज्म से कैसे बचा जाय इस पर उन्होंने प्रकाश डालते हुए कहा कि हमारे द्वारा पूर्व में प्रकाशित शोध पत्रों को यदि दोबारा प्रकाशित किया जाता है और उनमें कोई बदलाव नहीं लाया जाता तो इसे सैल्फप्लेग्रिज्म कहते हैं, जो कि सही नहीं है। कार्यशाला के अंत में सभी प्रतिभागियों को ओपन फॉरम के माध्यम से चर्चा करने का मंच भी रखा गया। अतिथियों को कार्यशाला के पदाधिकारियों ने स्मृति चिन्ह् भेंटकर सम्मानित किया। कार्यक्रम के संयोजक डॉ. दिलीप शर्मा व सहसंयोजक आशीष शर्मा रहे। कार्यशाला का संचालन दीपाली पवार एवं सौरभ आनंद ने किया। कार्यशाला में 15 विभिन्न शिक्षण संस्थानों के 90 शिक्षाविदों ने भाग लिया। इस अवसर पर अनंत राम, मनोज कुमार, डॉ. मानस मिश्रा, नितिन त्यागी, शशिशेखर, राकेश गालब, दीपक मंगल, नीरज वार्ष्णेय, सौरभ श्रीवास्तव, प्रवीण मित्तल, पवन कुमार, कैलाश कुमार, राहुल प्रधान एवं पुष्प माहेश्वरी आदि का सहयोग सराहनीय रहा।

बुधवार को जीएलए विश्वविद्यालय में आईईईई कार्यशाला के दौरान प्रदान किए गए प्रमाणपत्रों को दिखाते छात्र-छात्राएं, साथ में है विभाग के पदाधिकारीगण। • हिन्दुस्तान

अच्छे शिक्षाविद् के पांच सूत्रीय मंत्र बताए : एसएन सिंह

आईईईई कार्यशाला

मथुरा | हिन्दुस्तान संवाद

जीएलए विश्वविद्यालय के कम्प्यूटर इंजीनियरिंग विभाग में आयोजित एक दिवसीय आईईईई कार्यशाला में मुख्य अतिथि के रूप में आईआईटी कानपुर के प्रो. एसएन सिंह ने अच्छे शिक्षाविद् के लिए पांच सूत्रीय मंत्र बताए। रिसर्च पेपर राइटिंग एण्ड पब्लिकेशन एथिक्स वषय पर आयोजित कार्यशाला में उन्होंने कहा कि शिक्षाविद् को टीआरपीआईपी अर्थात टीचिंग, रिसर्च, पब्लिकेशन, इंस्टीट्यूट एवं प्रोफेशनल गतिविधियों में माहिर होना चाहिए।

'प्रभावी लेखन और शोध पत्र' के विषय पर उन्होंने कहा कि शोधपत्र लिखने के लिए आवश्यक तत्व सरल भाषा, चित्रों का सही विश्लेषण व उनका सही स्थानीयकरण इसी के साथ तालिकाओं के माध्यम से विभिन्न शोधों का तुलनात्मक अध्ययन शोध पत्रों में प्रदर्शित करना चाहिए। आईआईटी कानपुर के प्रो. जे. रामकुमार ने कहा 'प्रभावी पेटेंट दाखिल करने और मुद्दों' पर कहा कि विभिन्न देशों में पेटेंट विभिन्न तरीकों से किया जाता है। भारत में पेटेंट की अवधि 20 वर्ष के लिए निश्चित की गई है।

'एक्सप्लोर डिजिटल पुस्तकालय' पर धनु कुमार पतन सेठी ने कहा कि ज्ञान के इस युग में सूचनाओं का विस्तार तीव्र गति से हो रहा है। आज के समय हर संस्थान में डिजिटल पुस्तकालय की अति आवष्यकता है।

इससे पूर्व कार्यशाला का शुभारंभ विवि के प्रति कुलपति प्रो. आनंद मोहन अग्रवाल, मुख्य अतिथि प्रो.एसएन सिंह, विशिष्ट अतिथि प्रो. जे. रामकुमार, आईईईई बंगलौर के धनु कुमार पतन सेठी, निदेशक प्रो. अनूप कुमार गुप्ता, रिसर्च एण्ड डेवलपमेंट के डीन डॉ. अनिरुद्ध प्रधान, विभागाध्यक्ष प्रो.आनंद सिंह जलाल, प्रो.दिलीप कुमार शर्मा आदि ने दीप प्रज्जवलित कर किया। प्रो. श्रीश चौधरी ने इंग्लिश फॉर रिसर्च पेपर, प्रो. अनिरुद्ध प्रधान ने इफेक्टिव रिसर्च प्रपोजल राइटिंग एण्ड इस्यूज, प्रो.दिलीप शर्मा ने आईईईई प्लेग्रिज्म गाइडलांस पर व्याख्यान दिया। कार्यक्रम के संयोजक डॉ. दिलीप शर्मा व सहसंयोजक आशीष शर्मा रहे। संचालन दीपाली पवार एवं सौरभ आनंद ने किया।

शोध में भाषा, चित्रों का सही विश्लेषण हो

To,

Prof J. Ramkumar
Indian Institute of Technology Kanpur

Dear Prof Ramkumar,

Greetings from the GLA University, Mathura,

The Department of Computer Engineering & Applications, GLA University, Mathura, is organizing a One Day IEEE National Workshop on "Research Paper Writing and Publication Ethics" (Technically Sponsored by IEEE Uttar Pradesh Section, IEEE Computer Society GLA University Student Branch Chapter & IEEE U.P. Section Young Professional Affinity Group) on September 24, 2016.

We would be highly honoured if you would come as a Keynote Speaker to speak on the topic **"Effective Patent Filing and Issues"** in this IEEE workshop. The participants for the workshop are expected to be M. Tech and PhD research scholars, academician working in different research areas.

The University will bear the travel cost and pay honorarium as per its rules.

The venue of the workshop is Mathura – the city where Lord Krishna was born. With Vrindavan, Barsana and Agra in the vicinity, the city is a tourist's delight.

We look forward to welcoming you at GLA University and to IEEE National Workshop on "Research Paper Writing and Publication Ethics".

With regards,

Dr. Anand Singh Jalal (PhD, IIIT Allahabad)
Chairperson – IEEE Workshop

Saurabh.

Workshop Summary

Duration and Date of Workshop: One Days (December 26th, 2016)

Topic of the Workshop: Workshop on Machine Learning

Workshop for: Faculties of Department of Computer Engineering & Applications

Total No. of Participants: 13

Faculty Coordinators: Mr. Saurabh Anand

Objective:

- Machine learning Fundamental concepts were dealt
- Practical Applications related to Machine Learning.
- How AI and Machine Learning are related
- From Students perspective- how they can excel in this?

.

Workshop Details:

- A session on machine learning fundamentals concept were discussed on first day .
- A hands on practice session was done on second day related to practical application of machine learning
- A session on how artificial intelligence and machine learning were related to each other .how students can excel in this field.

Outcome: All the sessions were very much informative. The discussed areas are of great benefit for the participants as the topics match with the current working domain. Participants gained the knowledge of artificial intelligence and machine learning. Hands-on practice was done for the participants and further they will utilize this knowledge during the semester while delivering the same to students. Not only theoretical concepts were dealt, practical hands-on were also done related to real life application

DEPARTMENT OF COMPUTER ENGINEERING & APPLICATIONS

Institute of Engineering & Technology

Winter School on Python

WINTER SCHOOL ON PYTHON

Date and Duration: 26th Dec 2016 to 30th Dec-2016

Resource Person:

- Mr. Piyush Khandelwal

Faculty Coordinators:

- Neeraj Varshney

Highlights of Workshop:

- Introduction and Installation of Python
- DWYS (Do What You See) approach for learning.
- Knowledge of Python Features with 6 minor Projects
- Team activities to evaluate learning.
- Individual Exercises for self-assessment.

No. of Participants:

- 15 (Faculty, Department of Computer Engg. & Applications)

Poster of Workshop:

About University

GLA University (NAAC Accredited 'A'), Mathura has been established under the U.P. State Legislative Act of 2009 (UP Act 21 of 2010). Spread across 110 acres of land, the university is home to more than 10,000 students enrolled in a variety of professional courses. Well designed and maintained buildings, contemporary laboratories, spacious residential complexes and recreational facilities make the GLA campus one of the best in the region providing its students an ideal environment to hone their skills in an increasingly competitive and demanding world.

Department of Computer Engineering & Applications is the nerve centre of the University. The Department believes that Education is the cornerstone to economic development and which alone can assist build India into a developed nation. Over the years it has established itself into a separate department. The department with the passage of its evolution and growth has succeeded in creating its place of excellence not only within the college but among its counterparts in the country and abroad. It has been attracting bright students from all parts of the country for quality education in computer science at under graduate, post graduate and doctoral levels.

(Technically Sponsored by IEEE Computer Society GLA University Student Branch Chapter & CSI Mathura Chapter)

About AIVP

Image processing is a growing research field where many revolutionary ideas and efficient algorithms have been developed over the past few decades.

The objective of this workshop is to introduce the participants to the world of Digital Image Processing and give an insight on how and where it can be used. This workshop will be useful to learn the fundamentals of Digital Processing of satellite image data and biomedical image data.

Hands on exercises with MATLAB and OPENCV software will open a door for programming in image processing. Exposure to recent concepts of Video Surveillance, Video Forgery, Satellite, Biomedical and Industrial image processing will also be possible during the workshop.

The workshop is designed for teachers of degree level technical institutions, Graduates and Research Scholars of Engineering Institutions and Industry Professionals. The workshop has been designed to cover both theoretical as well as the practical concepts in the respective emerging fields of Computer Science along with the tools and simulators useful for the participants for their Training, Projects, and Research Work.

Course Contents

The course aims to provide in-depth coverage along with hands on experience of the following important emerging areas along with hands on training on the respective state of the art on Open Source Simulators and other Tools-

Part I: Lectures to be covered

- **Introduction to Digital Image Processing**
- **Applications/Scope of Image Processing**
- **Biomedical Image Processing**
- **Video Analysis**
- **Video forgery Applications**
- **Satellite Image Processing (Terrestrial and Planetary)**
- **Industrial Image Processing**

Part-II: Lab to be covered

- **Basic Image Processing using MATLAB/OPENCV**
- **Biomedical Image Processing Experiments using MATLAB/OPENCV**
- **Video Analysis using MATLAB /OPENCV**
- **Video forgery Experiments using MATLAB/OPENCV**

Resource Persons

The resource persons for the course shall be the faculty of IIT's / IIIT's / NIT's along with persons from the Industry. List of Resource Person are given below:

1. **Prof. Rajeev Srivastava (IIT (BHU), Varanasi)**
2. **Prof. Satish Chand (JNU, Delhi)**
3. **Prof. R. Balasubramanian (IIT Roorke)**

Eligibility Criteria

The program targets the Teachers, Graduates, Research Scholars and Industry Professionals.

Registration Process

Participants can register for AIVP-2017 by filling up the online registration form (www.gla.ac.in/AIVP). The Registration Fees will be submitted in cash at GLA University Registration Counter on 29th April 2017, 8:00-10:00 AM.The amount of registration fees are given below:

Students/Research Scholar	INR 500
Internal Faculty/Academician	INR 500
External Faculty/Academician	INR 1000
Corporate Executives/Professionals	INR 1200

Important Dates

Date of Event	29th April-30th April, 2017
Registration Open	12th April, 2017
Registration Close	25th April, 2017

PROPOSED TOPIC FOR

TWO DAY WORKSHOP ON

ADVANCES IN IMAGE & VIDEO PROCESSING

ABOUT THE WORKSHOP

Image processing is a growing research field where many revolutionary ideas and efficient algorithms have been developed over the past few decades.

The objective of this workshop is to introduce the participants to the world of Digital Image Processing and give an insight on how and where it can be used. This workshop will be useful to learn the fundamentals of Digital Processing of satellite image data and biomedical image data.

Hands on exercises with MATLAB and OPENCV software will open a door for programming in image processing. Exposure to recent concepts of Video Surveillance, Video Forgery, Satellite, Biomedical and Industrial image processing will also be possible during the workshop.

OBJECTIVES OF THE WORKSHOP

- To introduce the participants to Digital Image Processing and its applications
- To help researchers working in video surveillance, video forgery, biomedical, satellite image data and Industrial image processing.
- To help faculties teaching Digital Image Processing and expose them to its advanced applications
- To have an exposure to MATLAB & OPENCV tools for image processing

LECTURE TO BE COVERED

- Introduction to Digital Image Processing
- Application/Scope of Image Processing
- Biomedical Image Processing
- Video surveillance Application (Video Segmentation, Tracking, Classification, Activity Recognition and Behavior Analysis)
- Video forgery Application
- Satellite Image Processing (Terrestrial and Planetary)
- Industrial Image Processing
- Advances in Image Processing and its Application

Dr. Balasubramanian Raman
Associate Professor
Department of Computer Science and Engineering
Indian Institute of Technology Roorkee

Dear Sir,

It gives me immense pleasure to inform you that the Department of Computer Engineering & Applications, GLA University, Mathura is organizing **Two Day National Workshop on "Advances in Image & Video Processing (AIVP-2017)"** to be held during 29th April -30th April, 2017. A leaflet and program schedule is being attached for your ready reference. You have been invited to act as a resource person in this National Workshop. Your schedule of presentation in the department has been fixed on 29-04-2017.

You shall be paid TA/DA and remuneration as per the existing university norms. Looking forward to meet you in the forthcoming National Workshop.

With best regards,

Prof. Anand Singh Jalal
Professor and Chairperson, AIVP-2017
Department of Computer Engineering & Applications
GLA University, Mathura

Two Day National Workshop

on

Advances in Image & Video Processing

(AIVP-2017)

29th April - 30th April, 2017

http://gla.ac.in/AIVP/

Programme Schedule for the Workshop

Venue: RoomNo.113, Academic Block-I, GLA University, Mathura

DAY 1 (Date: 29-04-2017), Saturday		
08:00 AM to 9:00 AM: REGISTRATION		
9:00AM to 9:08AM	Welcome of the Guests	
9:08AM to 9:10AM	Lightening of the lamp	
9:10AM to 9:15AM	Welcome address and about the program	Anchor
9:15AM to 9:25AM	Head of Department Welcome Address	Prof. Anand Singh Jalal
9:25AM to 9:35AM	Pro-Vice Chancellor Address	Prof. A.M. Agrawal
9:35AM to 9:45AM	Vice Chancellor Address	Prof. D.S. Chauhan
09:45 AM to 10:00 AM High Tea(Room 105 , Academic Block-I)		
EXPERT TALKS		
10 AM to 12: 30 PM	(1) Applications of Machine Learning (2) Big Multimedia Data Over Cloud (3) Optical flow problems in Video Analytics	Prof. R. Balasubramanian (IIT Roorkee)
12:30 PM to 01:00 PM Lunch Break		
01:00 PM to 03:30 PM	Application of Cancer Images	Prof. Rajeev Srivastava (IIT (BHU), Varanasi)
03:30 PM to 03:45 PM High Tea (Room 105 , Academic Block-I)		
03:45 PM to 05:45 PM	Lab Session	Mr. Neeraj Gupta, Mr. Subhash Agrawal and Mr. PiyushVashistha
DAY 2 (Date: 30-04-2017), Sunday		
09:00 AM to 10:00 AM	Video Object Tracking	Prof. Anand Singh Jalal
10:00 AM to 10:30 AM High Tea(Room 105 , Academic Block-I)		
10:30 AM to 01:00 PM	Water Marking Application in Image Processing	Prof. Satish Chand (JNU, Delhi)
01:00 PM to 01:30 PM Lunch Break		
01:30 PM to 02:30 PM	Fake Biometric Applications	Mr. Rohit Agrawal
02:30 PM to 02:45 PM High Tea(Room 105 , Academic Block-I)		
02:45 PM to 04:30 PM	Lab Session	Mr. Pragyesh, Mr. Rajesh Tripathi and Mr. Aamir Khan
Vote of Thanks

Team ROCKWELL AUTOMATION

For 2- Day technical workshop on

Industrial Automation Systems

(14-15 February 2017)

In technical collaboration with

IEEE PES Power & Energy Society®

Rockwell Automation

IET The Institution of Engineering and Technology

Department of

Electrical Engineering

Report

Event Title:	Two day workshop on Industrial automation systems
Speaker/Resource Person:	Mr. Vikas Rohilla ESK India Pvt. Ltd. (Rockwell)
Date:	14 -15 February 2017
Venue:	Room No. 3002/AB-2
Organized by:	Department of Electrical Engineering
Faculty Coordinator(s):	Mr. Sachin Goyal
Participation:	B. Tech EE/EN students

Objective of the seminar:

1. To discuss the role of PLC in industrial automation.
2. To discuss the basic bit instructions for logical operations.
3. To discuss the working and programming of timer and counters.
4. To have a hands on Rockwell setup and learn ladder programming method.
5. To provide hands-on experience on motion control equipments.

ABOUT THE CITY AND UNIVERSITY

ıe pious city of Mathura is the epicenter of Braj ıoomi and is well known worldwide as the rth place of the Karma Yogi, Lord Krishna. It is ell connected to various parts of country by ıil and Road. GLA University is situated at a stance of 125 km south – east of New Delhi and) km north – west of Agra. It is at a distance of) Km from the Mathura Junction railway ation on NH – 2 towards New Delhi. It started in 198 as G.L.A. Institute of Tech. and Mgmt. The stitute was accorded the status of a University ıder the U.P. State Legislative Act of 2009 (UP ct 21 of 2010) and recognized by UGC as well ıder section 2(f).

ɔread across 110 acres of lush green land, the niversity is home to more than 10,000 udents enrolled in a variety of professional ıurses and an alumni base of more than 14,000 udents. It employs over 500 qualified teachers ıd over 1250 staff members.

ABOUT THE DEPARTMENT

epartment of Mathematics came into :istence in the year 2010. The department has ' qualified and devoted faculty members with ɔecializations in various areas of Mathematics. : present, the department is conducting Ph.D. ɔgrammes in Differential Equations, Fluid ynamics, Operations Research, Fuzzy Mathe- atics, Classical Relativity and Cosmology.

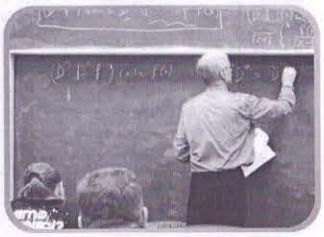
GLA UNIVERSITY MATHURA

Workshop
on

Fractional Calculus and Its Applications

(FCA 2016)

SEPTEMBER 2 – 3, 2016



Organized by

Department of Mathematics

Last Date of Registration:
August 12, 2016
For more details, visit us at
www.gla.ac.in

ABOUT THE WORKSHOP:

actional calculus has become an exciting new athematical method of solution of diverse oblems in Mathematics, Science, and gineering. It is a generalization of ordinary ferentiation and integration to arbitrary non – eger order. Fractional calculus is the study of

$\frac{d^n}{dx^n}\{f(x)\}$ for arbitrary real and complex values

q. If $q > 0$, we have a fractional derivative of der q, while if $q < 0$, we have a fractional egral of order q.

e objective of this workshop is to introduce actional Calculus and to get all familiar with applications. Other than Mathematics, it has plications in Chemical Kinetics, Electro iemistry, Mathematical Biology, Visco - isticity, Nuclear Physics, Tracer in Fluid Flows, gnal processing etc. The topics to be covered clude origin and development of fractional lculus, fractional differential equations and eir applications.

WHO CAN ATTEND?

e faculty members as well as research holars/students of Mathematics, Physics, iemistry, Biology and Engineering ckground may be benefited. Others who ve interest in this area of research are also rmly welcome.

ABOUT THE SPEAKER:

. **P.K. Banerji**, the Emeritus Professor of UGC dia), is at present the Principal Investigator of e research project, DST-SERB. He has been Head of Dept. of Mathematics, Faculty of Science, Jai Narain Vyas University, Jodhpur. He has been elected the President of prestigious Indian Mathematical Society (IMS) for 2011 – 2012. He has Pure Mathematics as his major area of research. Some of his research interests are Fractional Calculus and Applications, Special functions, Wavelet & Integral Transforms. He has published around 194 research papers in National and International refereed journals. He has a teaching experience of 42 years & has a research experience of 40 years. He has completed 9 research projects of UGC, DST & CSIR, supervised 3 M.Phil and 12 Ph.D. theses.

REGISTRATION FEE:

Participants	Amount
Faculty Members from Academic Inst./Univ./ College	₹ 500/-
Research Scholars/Students (UG/PG)	₹ 250/-

REGISTRATION:

Duly filled registration form along with the required fees should be submitted to convener of the workshop before **August 12, 2016**. The registration fee includes kit, tea and working Lunch. **No TA/DA will be provided for participation in the workshop.** No. of seats is limited so registration will be done on first come first serve basis. Selected participants will be informed through mail.

ACCOMMODATION:

Limited accommodation on payment basis may be available in the University guest house on prior information & subject to availability. Participants can also book their own accommodation outside the GLA campus.

अवगत हुए फार्मेसी के छात्र

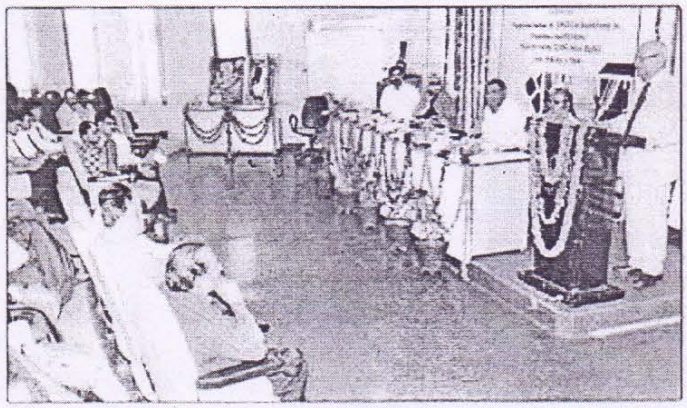
जीएलए के फार्मेसी विभाग में इंप्लीमेंटेशन ऑफसीपीसीएसईए गाइडलाइंस इन फार्मेसी इंस्टीट्यूशंस विषय पर हुई कार्यशाला

मथुरा। जीएलए विश्वविद्यालय के फार्मेसी विभाग में इंडीयन काउंसिल ऑफ मेडीकल रिसर्च, न्यू दिल्ली (आईसीएमआर) के तत्वावधान में आयोजित इंप्लीमेंटेशन ऑफ सीएसईए गाइडलाइंस इन फार्मेसी इंस्टीट्यूशंस विषय पर दो दिवसीय कार्यशाला के दौरान एसएमएस मेडीकल कॉलेज, जयपुर के एमेरिट्स प्रोफेसर तथा मुख्य अतिथि प्रो. पीसी डांडिया ने दवाओ के शोध से जुड़ी जानकारी प्रदान करते हुए भारत में दवाईयों की शोध से जुड़े भावी बदलावों के बारे में बताया।

उन्होंने जानवरों पर हो रहे अत्याचारों एवं उनके स्वास्थ्य के साथ हो रहे खिलवाड़ों पर प्रकाश डाला। साथ ही उन्होंने यह भी बताया कि किस प्रकार हम नए दौर में विकसित हो रहे जानवरों जुड़े तकनीकि यंत्रों का उपयोग कर सकते हैं। जिससे कि हम उनको उपयोग में लाने पर रोकथाम लगा सकें और कार्यशाला में प्रयोग लाये जाने वाले जानवरों को अच्छी सुविधाएं देने के बारे में जानकारी प्रदान की।

कुरूक्षेत्र विश्वविद्यालय के निदेशक प्रो. एसी राना ने प्रयोगशाला से शुरू हुई जानवरों की यात्रा को तकनीकि यंत्र तक का विश्लेषण दिया। उन्होंने बताया कि हमें जानवरों को कम से कम प्रयोग में लाना चाहिए और यदि हम उन्हें प्रयोग में लाते है तो उनके स्वास्थ्य का सम्पूर्ण ध्यान रखना चाहिए।

आरकेे जेआईटी गाजियाबाद की प्रधानाचार्य प्रो. मोनिका शर्मा ने ''करेंट टेंडेन्स एण्ड मेसर्स यूज्ड इन एनीमल एक्सपेरीमेंट्स'' विषय पर विभिन्न प्रकार की जानकारियां



जीएलए विश्वविद्यालय में आयोजित कार्यशाला में उपस्थितों को संबोधित करते विशेषज्ञ।

रिप्लेसमेंट रिडेक्शन के बारे में जानकारी दी। साथ ही उन्होंने जानवरों के प्रयोग से जुड़े हुए सॉटवेयर के बारे में बताया। जिससे कि हम दवाईयों की शोध में उनका कम से कम इस्तेमाल कर सकें।

डॉ. देवप्रिया गड़बद्रू ने ''प्रिवेन्शन ऑफ क्रूअल्टी ऑन एनीमल्स एक्ट 1960'' से जुड़े नियमों और कानूनों के बारे में बताया। उन्होंने बताया कि किस प्रकार हम प्रयोग लाये जाने वाले जानवरों को कम से कम पीड़ा दे सकते हैं और उनके स्वास्थ्य का ध्यान रख सकते हैं। इससे पूर्व कार्यक्रम शुभारंभ मुख्य अतिथि प्रो. पीसी डांडिया, प्रतिकुलपति प्रो. आनंद मोहन अग्रवाल, विभाग के निदेशक प्रो. प्रदीप मिश्रा, विभागाध्यक्ष प्रो. मीनाक्षी वाजपेयी ने मां सरस्वती एवं श्री गणेशीलाल अग्रवाल जी के चित्रपट के समक्ष दीप प्रज्जवलित कर किया।

इस अवसर पर प्रो. प्रदीप मिश्रा ने मुख्य अतिथि के बारे में कार्यशाला में उपस्थितजनों को अवगत कराया और कार्यशाला के शीर्षक पर प्रकाश डाला। प्रतिकुलपति प्रो. अग्रवाल ने भी जीव-जन्तुओं की कार्यप्रणालियों पर प्रकाश डाला। कार्यशाला के अंत में प्रतिकुलपति ने मुख्य अतिथि प्रो. डांडिया को स्मृति चिन्ह भेंट किया। साथ ही फार्मेसी विभाग के निदेशक प्रो. प्रदीप मिश्रा एवं विभागाध्यक्ष प्रो. मीनाक्षी वाजपेयी ने सभी अतिथियों और आमंत्रित प्रवक्ताओं को स्मृति चिन्ह भेंट कर स्वागत किया और उन्होंने कार्यशाला के फार्मेसी के असिस्टेंट प्रो. तथा कार्यक्रम के संयोजक डॉ. कमल शाह तथा सभी शिक्षकगण, प्रतिभागियों एवं कार्यशाला के संचालन से जुड़े हुए समस्त विद्यार्थियों का धन्यवाद ज्ञापित किया।

गणित विभाग में हुई कार्यशाला

मथुरा। जीएलए विश्वविद्यालय में गणित विभाग द्वारा आंशिक कलन एवं उसके अनुप्रयोग विषय पर एक द्वि-दिवसीय कार्यशाला का आयोजन किया गया। कार्यशाला में जेनवीयू, जोधपुर के गणित के पूर्व विभागाध्यक्ष तथा यूजीसी के एमिरेट्स प्रो. डॉ. पीके बनर्जी ने आंशिक कलन के उत्तरोत्तर विकास, उसके अभियांत्रिकी एवं विज्ञान के विभिन्न क्षेत्रों में उपयोगिता के बारे में जानकारी दी। उन्होंने नए शोध के बारे में भी सभी को अवगत कराया। कार्यशाला के सहसंयोजक अमित सारस्वत ने जानकारी दी कि इसमें जीएलए विवि के शिक्षकों व विद्यार्थियों के अतिरिक्त बिहार, महाराष्ट्र तथा देश के अन्य स्थानों से आए शिक्षकों व शोधार्थियों ने भी भाग लिया। संयोजक व सहविभागाध्यक्ष डॉ. मनीष गोयल ने कहा कि इस तरह की कार्यशालाएं शोधार्थियों के लिए अत्यन्त आवश्यक हैं तथा नए-नए विषयों का ज्ञान प्राप्त करने से ही हम सभी दुनिया के साथ कदम से कदम मिलाकर चल सकते हैं। उन्होंने जानकारी दी कि विभाग की योजना अन्य विषयों पर भी भविष्य में कार्यशालाएं आयोजित करने की हैं। निदेशक डॉ. अनूप कुमार गुप्ता ने कहा कि हम सभी विभागों में रिसर्च को प्रोत्साहित कर रहे हैं तथा शिक्षकों को कार्यशालाओं, सेमिनार, सम्मेलनों को आयोजित करने या देश मे हो रहे अन्य आयोजनों में जाकर लाभान्वित होने के लिए हमेशा प्रेरित करते रहते हैं। अंत में कुलपति प्रो. दुर्ग सिंह चौहान ने मुख्य अतिथि को स्मृति चिन्ह भेंट कर आभार व्यक्त किया। गणित विभाग के प्रो. डॉ. ए. प्रधान ने सभी को धन्यवाद दिया। इस मौके पर डॉ. शिखा श्री वास्तव, उमेश शर्मा, डॉ. अम्बुज मिश्रा, डॉ. मुकेश, डॉ. उदय प्रताप, प्रियंका गर्ग, डॉ. विनोद, डॉ. प्रतीक, डॉ. विवेक शर्मा एवं डॉ. विवेक मेवाड़ा का विशेष योगदान रहा। कार्यक्रम का सफल संचालन अलका एवं जितेन्द्र

One Day Workshop on BLACK HOLE

The Department of Mathematics has organized **"One Day Workshop on Black Hole"** on Dec 30, 2016. This workshop was moderated by Dr. Archana Dixit, Assistant Professor, Department of Mathematics.

In this workshop our resource person is Prof. Sushant Ghosh, CTP, JMI University, New Delhi. Prof. Sushant Ghosh is also Visiting Associate, Inter University Centre for Astronomy and Astrophysics (IUCAA), Pune (Since .uly 2001). Honorary Professor, College of Agriculture and Engineering, School of Mathematics, Statistics and Computer Science, UKZN from 2013-2016. His Research interests in Gravitational collapse, Spinning black holes, Exact solutions, Causal structure of singularities, Relativistic stars, Modified theories, General relativity, Black hole theory.

The coordinator briefed the theme of this workshop on **Black Hole**.A black hole is a place in space where gravity pulls so much that even light cannot get out. The gravity is so strong because matter has been squeezed into a tiny space. This can happen when a star is dying. The Associate Head of the department, Prof. Manish Goyal welcomed the guest and all the participants. Prof. Anirudh Pradhan, Dean (R&D) introduced our eminent resource person. Our Recourse person enlightened the participants and faculty members. Total 32participants attended the workshop. The goal of this workshop is to render the basic knowledge of Black Hole. At last, the coordinator gave a note of thanks to the resource person and all the participants. The workshop ended on a happy note.
