Dear Prof. Kavita Ji

I would personally like to appreciate all the hard work and diligent effort that your students have put into the organized at Nayati Hospital, Mathura on 10th and 11th April 2019 based on the Personal Hygiene theme.

Dedication of students, desire to experiment and explore new things was remarkable. It will not be an exaggeration if I say that you are the captain of this street play and without your support this would not have been completed. My personal thanks to each and every student and staff of GLA.

We look forward to do more of such awareness program in the form of street play and other activities.
