4.5 **The student** would invariably be the **senior author** for the publications arising out of the research work conducted at either party's premises followed by Major Guide/Advisor and Co-Major Advisor/Co-Guide in that order. The names of corresponding author/additional co-authors, depending upon their contribution in the research work, may be decided by mutual consent between the student and Major Guide/Advisor.

4.6 The **partnering institutions** may ensure that the **student submits at least one paper** from Master's thesis and two papers from Ph.D. thesis before thesis submission in order to prevent students leaving the institute(s) without any research publication from the thesis.

4.7 **A copy of the thesis/dissertation** will be submitted to the First Party after the award of the degree by the Second party.

4.8 **All questions related to this MoU arising during its term** will be settled by the parties by mutual agreement. **Disagreements** at the operating level shall be forwarded to respective higher officials for appropriate resolution failing which an arbitrator of mutual acceptance may be identified for the settlement of dispute, if any.

4.9 **All questions** not foreseen related to this **MoU** will be handled by the parties by mutual agreement.

4.10 **Nothing** in this MoU is intended to affect to the cooperation or collaborations between the parties.

4.11 **The objective(s)** for research work for a student coming from such an institution should be exclusively different as far as possible.

4.12 **Both parties** would be expected to make reasonable contribution in the form of intellectual input to the student's research problem and may not merely serve as a source of providing samples/facilities for the study.

Article 5. Intellectual Property Rights

5.1 The **Second party** will be expected to ensure protection of the Intellectual Property Rights generated or likely to be generated during the student's research work. **The MIEF** as the first applicant and the Second party shall be the joint applicants for **IPRs** and the students and involved scientific staff shall be included as the inventor/breeder/author. **The IPRs shall rest with both the parties.**

Article 6. Admission and Fees

6.1 **All those who wish** to register as trainees or for Master/Doctoral programme under this MoU must apply for admission at the **Second party**. The allocation of Major Guide/Advisor would be finalized after the registration by the 2nd party.

6.2 **Admission of the students and the award of degrees** for different programmes will be the responsibility of the **Second party** as per the rules and regulations.

Valm

Singh

6.3 Allotment of the students to the First party will be done by the approval of Director/Head of the organization of the First party and Vice-Chancellor/Head of the Institution of the Second party.

6.4 The First party would have the right to screen the student's eligibility for admission based on their academic period.

6.5 The First party in consultation with the Second party shall decide the location and sharing of quantum of research work to be done.

6.6 The number of student(s) at any particular time to be trained at the First Party facility will be mutually decided by both the parties from time to time.

6.7 Any student(s) admitted to the First party for training/post graduate research, if found violating the rules and regulations laid down by the First party or indulge in such activities that amount to tarnishing the image of the Institute, or caused image to the property, the registration of such student(s) would be summarily terminated. The Second party will not complete the formalities of issuing the certificates to such students until they compensate the losses to the First party.

6.8 Fee will be charged from the students by the first party to conduct research at places identified by the First Party and which has been accepted by the second party or revised guidelines if any as may be issued from time to time. Student registered with second party will deposit fee of Rs 20,000 for training duration of 3 months (not leading to a degree and dissertation) and Rs. 40,000 for duration of six months for training dissertation/degree exceeding three months or as may be mutually decided by both the parties.

Article 7. Entry in to effect, modification and termination

7.1. This MoU shall be come effective on the date it is signed by the parties and shall be valid for five years extendable upto another five years. Both parties shall review the status of the MoU at the end of every two year period to determine any modification, whenever necessary. The period of validity of this MoU may be extended by mutual consent up to five years. This MoU may be amended by mutual written agreement and may be terminated at anytime by either party upon written notification signed by the competent authority of the party initiating termination. Such notification must be given to the other party at least six months in advance from the effective date of termination.

7.2. All joint activities not completed at the expiration or termination of the MoU may be continued until their completion under the terms of this MoU.
