Dear Ms. Nandini,

Congratulations.

I have pleasure in notifying you that the Admission Committee for *Fellow Programme in Management (FPM)* has found your candidature suitable for admission to its 2021-2025 Batch pending your compliance with the following:

1. You should have completed all examinations related to the qualifying (Post-graduate) degree with a minimum of overall 60% (First Class) marks awarded by any of the Universities incorporated by an act of the Central or State legislature in India or other educational institutions established by an act of Parliament or declared to be deemed as a University under Section 3 of the UGC Act, 1956, or possess an equivalent qualification recognized by the Ministry of HRD, Government of India.

In case you are awarded grades/CGPA instead of marks, the conversion of grades/CGPA to percentage of marks would be based on the procedure certified by the university/institution from where you have obtained the Master's degree. In case the university/institution does not have any scheme for converting CGPA into equivalent marks, the equivalence would be established by dividing CGPA by the maximum possible CGPA and multiplying the result with 100.

If you have appeared for the final year of Master's/equivalent qualifying Post-Graduate degree examination and have completed the degree requirements and are waiting for the results, you could also be inducted to the programme. In such a case, you will be allowed to join the programme provisionally, only if you submit a certificate latest by August 1, 2021 from the Principal/Registrar of your College/University (issued on or before August 1, 2021) stating that you have completed all the requirements for obtaining the master's/equivalent qualifying Post-Graduate degree on the date of the issue of the certificate. It is your responsibility to ensure the fulfillment of minimum eligibility criteria (i.e. 60%, First Class).

In case of non-fulfillment of mandatory requirement for eligibility, the admission will be cancelled and the Institute will not be held responsible in such a case.

2. Register yourself by paying Rs. 32,500/- (Rs. 22,500/- against academic deductions and Rs.10,000/- against *Caution Money* deposit, which will be refunded on (i) successful completion of the FPM course; and (ii) only if the student has not been subjected to any disciplinary action during her/his stay at the EDII. No interest will be payable by EDII on this caution money deposit) latest by **July 15th, 2021**.
3. Thus, the Programme Fee applicable to *Fellowship* students shown in the Table below should be paid in three installments from the First to the Fourth year. Any delay in fee payment will not be permitted. In case of non-adherence and delay, the admission of the candidate shall be terminated. The course fee structure is shown below:

5. Student's performance (based on course grades, research, publications etc.) will be evaluated by the FPM Office every year. A student will be promoted to the next year only on his/her satisfactory performance. In such a case, you will have to deposit the full programme fee and also the fellowship amount to the EDII.
