A Webinar on “Ethics in Research: Avoiding Plagiarism and other unethical Practices

GLA University conducted a webinar on “Ethics in Research: Avoiding Plagiarism and other unethical practices” on December 11, 2021. The resource person is Dr Sunaina Singh, a Freelance Academic Editor and Consultant Academic Trainer, Mumbai. She described the different type and reasons of the plagiarism and further, explain the other unethical practices in the research. She discussed the Ethics in Research and urge faculty to avoid plagiarism in the publications. Prof. Anirudh Pradhan, Dean (R&D), GLA University gave vote of thanks at the end of the webinar.

A one-day online workshop on Research Ethics and Plagiarism

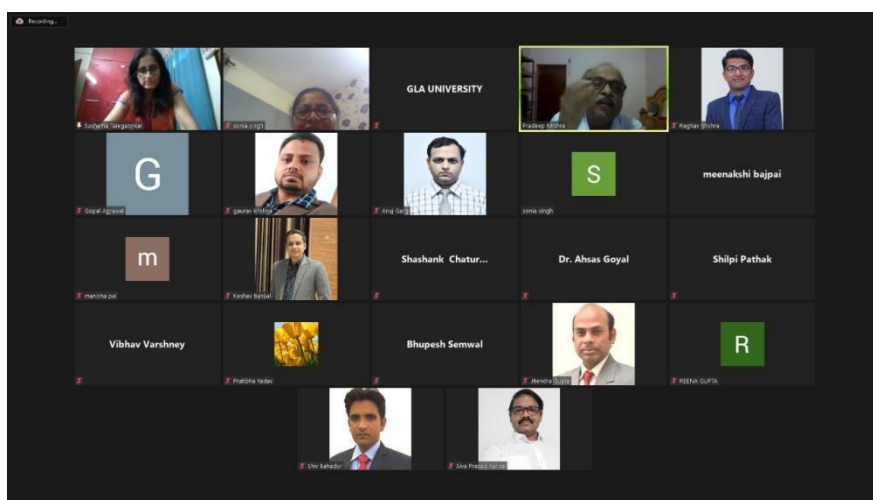

GLA University has organized a one-day online workshop on ethics and publications (on zoom platform) on 24th April 2021. The resource person is Dr. Sudhaker Upadhayay, Department of Physics, KLS College (Constituent of Magadh University), Nawada, Gaya, Bihar. Dr. Upadhayay spoke on this occasion about the research ethics and plagiarism in this age of information. The ease of internet access and availability of e-books, e-journals and thesis changes the way of dissemination of knowledge. However, the students use the information and facts from the available data as such and unintentionally plagiarize their work. Therefore, he gave emphasis on the awareness of research ethics and plagiarism among the faculty and students in the current scenario and also took workshops on the softwares to detect the plagiarism. Prof Kamal Sharma Associate Dean (R&D) thanks to Dr. Sudhaker Upadhayay for the lecture at the end of this workshop.

A session on “Learn the Art of Happiness: The Bhagavad Gita way”

GLA University organized a session on the “Learn the art of Happiness: The Bhagavad Gita way” on October 27, 2020 from 7:30 to 8:30 PM on zoom platform.

A Session on Anger Management “Burn Anger before anger burns you”

GLA University organized a session on Anger management for the faculties on April 26 2019. The resource person was Prof Sudhir Goyal, Head Department of Civil Engineering, GLAU. Prof. Goyal discussed several approaches to that teacher can use to manage or control their own anger in the classroom. He spoke about the long-term anger management which requires a comprehensive routine of self-care. According to him, self-care is a series of activities which a teacher can do to take care of themselves. He emphasized to incorporate a self-care strategy for teachers given the stress level of the job. He gave some examples of self-care activities including meditation, prayer, or other spiritual activities; good eating and sleeping habits; personal hygiene; getting enough exercise; maintaining relationships with family and friends; and even talking to a professional or therapist.

Prof. Sudhir Goyal addressing the participants on the topic “Anger Management”
