**Report on "Tree
Plantation Camp"**
organized on 24th Nov, 2021

Theme: Tree Plantation Camp
Date: 24th Nov, 2021
Time: 12.00 noon-1.30 pm
Venue: Block D, near Academic Block VI
Organizer: Institute of Pharmaceutical Research with National Service Scheme
Report:

"Tree Plantation Camp" was organized by Institute of Pharmaceutical Research, GLA University at Block D, near Academic VI through National Service Scheme (NSS) on 24th Nov, 2021. The students of Department of Pharmacy and Department of Chemistry; Team NSS actively participated in the programme. The NSS-coordinator (Dr Vivek Sharma), Faculty coordinators (Dr Bhupesh C Semwal & Dr Sonia Singh), NSS volunteers and students have participated in the plantation activity. Mr. Gulab Singh, Horticulture-in-charge had provided plants for the event. Dr Vivek Sharma, Dr Yogesh Murti and Dr Sonia Singh have done the plantation. The programme was appreciated by the participants. Dr Bhupesh C Semwal had explained the importance of tree plantation. At the end of programme, there was a photo-session. This programme created great enthusiasm among all students.

Volunteers: Sudhanshu Dubey (8193912004)
Pratik Maheshwari (9520485316)

7.1.5 Green campus initiatives

Initiatives taken for Eco-friendly Campus

Department of English, GLA University, Mathura.

- Our department has devised a variety of activities to promote carbon reduction. To reduce air pollution and to promote global ecological development, we have come forward to increase attention in the whole GLA University by taking the right decision. We have taken a Departmental pledge that no personal vehicle would be used on Saturdays by our staff members. The residents in our GLA premises come by walk on that day and those who come from other places use GLA Bus on Saturdays. This is the first step to raise the awareness of the public that when individuals change their habits, this can bring forth the real change in society.
- To inspire in our GLA students an understanding and appreciation of the natural world and help them to make responsible decision about the environment our Department runs 'a nature club' to stop the degradation of the planet's Natural environment and to build a future in which human beings live in harmony with nature by:
 - conserving the world's biological diversity
 - ensuring the greenery of the university campus
 - reducing pollution and regulate waste management.

We arrange a lot of Adventurous trips to our students to botanical Gardens, Naturopathy Centres, Nature study trips etc. To our credit, we have planted 8875 trees in Mathura alone within 5 years. We organize community programmes. we involve the school children of Mathura City to participate in competitions in Art like: on the spot drawing and painting and slogan writing.

- To bring out the inherent talents of our students we encourage the young minds to participate in Group Discussion, Debate, Declamation, Publication on topics of eco-friendliness like: Local Eco-friendly Development, Public Value in Eco-

friendliness, Environmental development and Eco-friendly campus depends upon the participation by the youth, and their participation ought to be important in environmental governance.

First Year students are planting trees in the banks of river Yamuna at Vrindavan in Briksh Ropan Pariyojana in March 2021 (a joint initiative by Department of English and Nature Club).

Cleanliness Drive and Waste Management: Four groups of students of our Nature Club collected the waste materials thrown by students from the four Lawns of our GLA Campus in October 2019.

Atmashuddhi Pariyojana: A joint initiative by Dept of English and Nature Cub to promote cleanliness in October 2018.

Cleanliness is next to Godliness. our Nature lovers made a Poustic Ganesh with grains and grass as an invocation to Lord Ganesh to start our Club activities without any obstruction in March 2019.

Third and Second Year Students were planting trees on the banks of River Yamuna at Vrindavan with an expression of a great achievement in their faces in September 2017.

Teachers and students taking pledge together.
