Office of the National Digital Library Project
Central Library (ISO-9001:2008 Certified)
Indian Institute of Technology, Kharagpur. Kharagpur-721302

Dear Ashok Kumar Singh,

NDL India (https://ndl.iitkgp.ac.in), an initiative of Ministry of Human Resource Development (MHRD) through its National Mission on Education through Information and Communication Technology (NMEICT), **is going to be nationally launched by Honourable Human Resource Minister of India on 9th July 2017.**

We find that though you are registered in NDL India, you have not yet activated your registration and accessing the contents. As a part of your registration, a verification link was mailed to you. Please complete your registration process just by clicking the link sent to you at the time of your registration. If you are unable to retrieve the mail containing link sent earlier, please click the "**Account Recovery**" button in NDL India site (https://ndl.iitkgp.ac.in) to recover your login credentials. You may get in touch with ndl-support@iitkgp.ac.in if you need any clarification or help in this respect.

Please note that NDL India is also available as an Android App and the App may be downloaded free from Google Play Store.

I am sure you will love to use this national asset.

Yours sincerely,

Prof. Partha Pratim Das

Joint Principal Investigator,

National Digital Library of India,

Professor, Department of Computer Science and Engineering,

Head, Rajendra Mishra School of Engineering Entrepreneurship,

Professor-in-Charge, IIT Kharagpur Research Park, Kolkata

Professor, Department of Computer Science and Engineering

Dear Gopal Agrawal,

Welcome to National Digital Library (NDL)!

NDL is an initiative of Ministry of Human Resource Development (MHRD) through its National Mission on Education through Information and Communication Technology (NMEICT) to develop the pilot of a National Digital Library. The charter is to build a virtual repository of learning resources that are available in digital form and provide single-window search portal to facilitate focused searching so that learners can retrieve the right resource with least effort in minimum time. It is being developed and hosted at IIT Kharagpur. The URL of NDL portal is https://ndl.iitkgp.ac.in

This is a limited Alpha launch where registration is by invitation (institutional or individual) and you are receiving this communication in this context. Please find your login id and password below to access the NDL portal:

Login ID: gopal.agrawal@gla.ac.in
Password: 3171

After logging in you will be prompted to validate/edit your registration data (except e-mail id which is non-editable) along with a new password (mandatory). In case of any problem please mail us at ndl-support@iitkgp.ac.in

We look forward to your valuable feedback after using the system, which will enable us to refine it further during our journey towards building a national asset. Please submit your feedback using the **Feedback** (red colour) tab in the bottom of each site page.

Enjoy the NDL Alpha!

Yours sincerely,

Partha Pratim Das
Joint Principal Investigator,
National Digital Library Project (NMEICT, MHRD)

Dear Pooran Mal ,

We find that though you did Institutional Registration, you have not yet registered most of the users of your Institute (Faculty members, Non-teaching staff and Students) in NDL.

Please note that the following key points which need to be done to complete the Institutional Registration process:

- *All students, teachers/faculty members and non-teaching staff of the Institute to be registered as user in NDL*

- *All students, teachers/faculty members and non-teaching staff of the Institute have activated the NDL registration*

As a part of the registration, a verification link will be sent to each user in respective user's e-mail id. Each user needs to complete his/her registration process just by clicking the link sent. In case any user is unable to retrieve the mail containing link the user need to click the "Account Recovery" button in NDL site (https://ndl.iitkgp.ac.in) to recover his/her login credentials.

Please get in touch with ndl-support@iitkgp.ac.in if you need any clarification or help in this respect.

You are also welcome to request your acquaintances to self-register in NDL using the "Register" button of the site.

NDL is an initiative of Ministry of Human Resource Development (MHRD) through its National Mission on Education through Information and Communication Technology (NMEICT) and is getting scaled up gradually with respect to content volume and diversity to make it a full-blown National Digital Library of India over time, which will be a ubiquitous digital knowledge source of the nation.

I am sure you will love to be an active participant in this exercise of building a national asset.

Yours sincerely,

Prof. Partha Pratim Das
