About Bentham Science Publishers

Bentham Science is a science, technology, and medical publisher, providing academic researchers and industrial professionals with the latest information in diverse fields of science and technology. Our peer-reviewed scholarly journals and books have an ever-increasing readership of millions of researchers worldwide.

Bentham Science currently publishes more than 130 journals in both electronic and printed formats. Our journals cover various disciplines in pharmaceutical research and development, medical subspecialties, engineering, technology, and social sciences. The journals are indexed in recognized indexing agencies. Information on our journals' Indexation, by various indexing agencies, can be viewed at <https://benthamscience.com/indexing-agencies.php>
